

THE VISION

The Media Center staff, facility and resources provide:

- students continuous opportunities for academic, social and personal improvement
- support teaching staff with curriculum and instruction resources

It is our goal to prepare students for success in high school and beyond through a focus on developing the “Learner Profile” skills (below).

Utilization

Students are welcome to use the Media Center before and after school, during lunch, and with an eHall Pass. Food is permitted in designated areas.

Students may checkout resources for two weeks with student ID card.

Classes can be scheduled through Ms. Mack. Please indicate resource requirements along with your scheduling request.

Teacher checkouts are due one week prior to the end of the school year.

**We are
getting a
remodel in Fall
2022!**
