**REGISTER HERE!**

**5<sup>th</sup> & 6<sup>th</sup> Grade Students Have The Opportunity** to grow musically and personally through the study of a concert band instrument in 5<sup>th</sup> Grade Beginning Band and 6<sup>th</sup> Grade Advanced/Turbo Band. A few of the many valuable benefits one can receive from participating in band are community, teamwork, practical leadership, responsibility, mindful discipline, increased self-esteem, and above all, an enjoyment and lifelong appreciation of music. Any student willing to learn, try new things, and give consistent effort can and will succeed!
