

Dear Toro Families,

Your child will be taking the statewide achievement test for Arizona students in grades 3-8. All Arizona public school students will take the grade level AASA assessments in English Language Arts and Math. Students in grades 5 and 8 will also complete the AzSci test.

Let's work together and make your child's experience a positive and successful one! We have been preparing by learning and mastering all of Arizona's State Standards.

On your grade level testing days please ensure your child arrives at school on time. Have your child eat a healthy breakfast at home or at school. Make sure they get a good night's sleep and encourage them to do their best.

Thank you,
