September 2020

Dear Greenbrier Parents,

Thank you for your continued perseverance, support, and dedication as we continue to navigate through this current on-line process. This remote learning process has not been easy for our students, our entire staff, and you - as parents. With your support and encouragement, you have helped our staff keep students engaged and able to complete on-line assignments throughout our first month in this virtual learning environment. Your help has been appreciated!

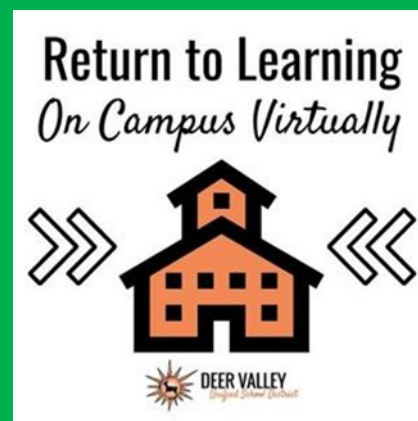

The Deer Valley Unified School District continues to plan and ramp up our return to our district's school buildings. Maricopa County Department of Public Health benchmark data is the data tool being utilized to determine our safe return to campuses. You may review this data @ <https://www.maricopa.gov/5594/School-Metrics> Click on the "view report by" - select Deer Valley USD. Additional information is also available @ <https://www.dvUSD.org/site/Default.aspx?PageID=66666>

We look forward to seeing our students and families in the near future! Again, your flexibility, cooperation, and extreme patience is appreciated in helping our Sidewinder Students learn!

Sincerely,

*Jody J. Brammer*
