STRATEGIC FOCUS AREAS

Excellence in Student Learning

1.1.1 Deploy a guaranteed and viable curriculum in every classroom.

Department Strategic Goal:
Provide resources and tailored professional learning plans for identified campuses that address gaps and support employees in aligning a systems approach to continuous improvement with a guaranteed and viable curriculum.

Excellence in Workforce Performance

2.2.3 Support all employees in the deployment of continuous improvement practices.

Department Strategic Goal:
Support the deployment and refinement of Department Improvement Plan (DIP) and Campus Improvement Plan (CIP) processes throughout the 2013-2014 calendar year.

Excellence in Stakeholder Relationships

3.2.1 Create and deploy well-defined district processes to identify stakeholder group requirements.

Department Strategic Goal:
Develop, deploy, and refine processes that identify customer requirements as measured by an increased number of documented processes.

Excellence in Organizational Improvement and

4.1.1 Embed continuous improvement principles throughout the district utilizing the Baldrige framework.

Department Strategic Goal:
Identify, document, and monitor our DIP and IPP processes over the course of the 2013-2014 school year for alignment and improved results.

Mission:

Our mission is to provide extraordinary educational opportunities to every learner.

Vision:

Nurturing a culture of continuous improvement throughout DVUSD.
