

**Mirage Attendance Requirements  
Spring 2021  
Short-Term Virtual for Fall  
January 4-15, 2021**

Your child will be required to participate in online learning for the Short-Term Virtual for All learning from January 4-15, 2021, just as he or she would attend school, in person.

Teachers will be taking attendance to ensure that students are attending classes each day.

**It is a requirement that students attend each class, every day, 7:45am-2:45pm  
90 Min. release days are 7:45-1:15pm.**

- If your child will be 'absent' from school for a day, please contact your child's teacher and the office so we can mark them accordingly. Thank you!
- Students are expected to arrive on time to each Zoom class.
- Students are expected to be seated in a learning space and not lying on a couch, bed, etc. and ready to learn, just as they would for a regular school day.
- Please help to keep background noise, distractions, etc. to a minimum.

Daily attendance in online classes is extremely important for student success. By regularly attending classes, our students will be able to keep up with daily lessons, be provided direct instruction and engage with the teacher and other students. Your commitment to regular online attendance will also send a message to your child that education is a priority, as well as the importance of taking their educational responsibilities seriously.

All Teachers (homeroom, specials, and specialists) will be **live** zooming for the majority of the school day, following the regular master school schedule.

Schedules are available on teachers' Canvas pages, the school website, and in the *Mirage 20-21 Information for Families Google Dive*- → Spring 2021 Short-Term Virtual Learning Schedules:
