

ARRIVAL/DISMISSAL PROCEDURES

Arrival:

- Students are welcomed to campus for breakfast at 7:45 am
- All other students are welcomed to campus at 8:00 am, there is no early drop off allowed and students walking to campus should plan to arrive to campus no earlier than 8:00
- Students walking to campus need to use the sidewalks and cross walks being aware of traffic.
- Vehicles bringing students to campus need to use the drop-off curb lane in front of the school. Vehicles must pull all the way forward, as far west as possible. When vehicles have stopped because they can't pull forward any further, students are to unload. Please be sure to pull all the way forward, this helps everyone enjoy a more efficient, safe start to the day!
- Help keep everyone safe by following the procedures we have.

Dismissal Priorities:

#1 SAFETY

#2 EFFICIENCY

- Students are dismissed at different times, please arrive at the dismissal time for your youngest student, but NOT early, this clogs the lane and prevents others from getting to a point that they can pick up their waiting child.
 - Kindergarten 2:50
 - 1st Grade 2:55
 - 2nd - 8th Grade 3:00
- Be sure your student knows the SAFE ROUTE for going home each day if they are walking or riding their bike or after they get off the bus, reinforcing to them to stay on the sidewalk.
- If students are being picked up by a vehicle the vehicle must pull through the curb pick-up area in front of campus. Students are not permitted to enter the parking lot to be picked up.
