

MEET YOUR TEACHER

My name is Ali Fredricks! I was born and raised in Michigan. I moved to Arizona 4 years ago to attend graduate school for Speech Language Pathology at Midwestern University. I loved Arizona SO much I stayed after I graduated (and I was over the rough winters). I live with my fiancé (Eric) and our fur pup (Duncan). In my free time I enjoy spending time with my 3 adorable nieces, adventuring outdoors, binging Netflix shows, and reading a good book!
