

# Baked/Processed Birthday or Celebration Treats List

ALL classrooms at Sierra Verde School are nut-free areas. **This includes foods processed in a factory that also processes nut-containing foods.** Unfortunately, **most bakery items**, including cupcakes and donuts, are included in this group of foods, so they are not allowed. If there are other allergies in your child's room, you will receive another note in January outlining these additional precautions.

To keep all our students safe at school, baked/processed birthday or celebration treats brought to school to be shared in class must be one of the following:
