

August 2019

Dear Parents and Students,

If you are interested in playing sports in 7th and 8th grade, you need to complete an athletic packet. You can find the athletic packet on our athletics page on our website: <http://www.dvusd.org/domain/1512>. You only need to complete ONE packet for the entire year to cover all sports. Your physical is also good for the whole school year if completed after April of 2018.

We will have an informational meeting that is important to attend if you are interested in playing sports this year. Please check the website or school calendar for the date and time. You will hear about ALL sports, requirements, dates, eligibility, and meet some of the coaches. We will also be promoting **Tax Credits for Sierra Verde athletics**. If you and family/friends are interested in donating your tax credit to our athletics program, we will have information ready!

A new packet needs to be filled out each year. PLEASE print out the whole packet, including the cover page. You can turn it in starting the first day of school to Mrs. Sara Cullen, or the front office. If your child already has a concussion certificate on file, they do NOT need to do it again.

Please check the athletics page after June for future dates of tryouts and games. Volleyball usually starts after the first few days of school so packets should be completed and turned in right away after school starts. There will be a sign up page for those interested in trying out for volleyball (girls and boys) the first days of school on the door of room 415.

If you have any questions, you may contact me at Sara.Cullen@dvusd.org, Sierra Verde Athletic Director and 3rd grade teacher.

Sincerely,

Mrs. Sara Cullen
