

2nd Meet @ Diamond Canyon

The Vipers did an exceptional job this week at the Diamond Canyon battling it out for strong finishes! This was a regional qualifying meet, so I am happy to say that our very own Andrew Qutami will be competing in December at the Northwest Valley Championships. Overall, our runners showed amazing grit and determination in the competition. There are some individuals I would like to highlight for their improvement from our last meet- just one week ago. There are over 50 athletes that run in each race. Calvin Miller improved the most, moving up 6 spots this week in his finishing position. Second in the group was Krosby Kerger with a big bump of 5 spots. In addition, Leah Bergeron , Grace Wallace, and Matthew Comarita improved 2 spots beating their competitors from last week! I'm so proud of our team and can't wait to see what they can do at the next meet!
