

Away Softball Game @ Sonoran Foothills

The girls softball team started their season at Sonoran Foothills on Tuesday. The Vipers started out strong by scoring in the first inning, but Sonoran Foothills kept the pressure on all game. A few costly errors on defense and quiet bats ultimately led to a loss in the Vipers' season opener, but there were some great takeaways from the game:

- Aubree Brockman got the start at pitcher and Julianna Wade came in as relief towards the end of the game. Both girls pitched great! One of the hardest positions in the sport is pitching, and both girls proved they were up to the task. The coaches and their teammates were super proud of their performances!
- Natalie Gonzalez had an amazing game playing first base! Nothing got passed her AND she helped turn two double plays! Most of our chants about 🎵"WE LIKE FREE BASES!!"🎵 must have been about her because she was Hit By Pitch during both of her at bats! She's a tough one for sure!

Overall, it was an awesome first game because the girls never gave up. They were aggressive running the bases and helped lift each others' spirits when things weren't going our way. We'll use this as a learning experience and continue to grow as a team.

The girl's next game will be Thursday at HOME vs Terramar. LET'S GO VIPERS!!
