

Home game vs West Wing

The SV softball team played their last home game of the season on Wednesday vs West Wing. The Vipers came out fired up, but the Mustangs were ready to play!

Kinley Koob started in the pitchers circle with Aubree Brockman coming in to relieve. These two 7th graders are true gamers! As the team's two main pitchers, they never complain and are always ready to go!

Abbi Gusich continues to bring it every time she's on the field! She's been amazing at second base making plays, backing up teammates, and always staying positive.

Overall, the Vipers fought hard but couldn't get enough offense going to keep up with West Wing and ended up losing the game. The team will be back next week as they prepare for their final season game against Gavilan Peak.
