

Away Game @ Gavilan Peak

The SV Softball team finished up their regular season schedule with a huge 21-1 win against Gavilan Peak on Tuesday! Everyone has been playing well over the past few weeks, but the Vipers were firing on all cylinders!

- Sydney Gay kept her hitting streak going this game with two great hits! She also scored 3 times.
- Natalie Gonzalez added another double to her season stats, but also came up with a monster triple! She's now leading the team in overall hits this season.
- The biggest highlight on offense, however, goes to London Tulipane. In the dug out, she called for a homerun.. During her second at-bat, she blasted a line drive into deep left field for an inside the park homerun! (Da-Duh-Da.. SV CENTER!)

Aside from all the great work on offense, the Viper defense really showed out also.

- Aubree Brockman pitched the entire game, striking out 4 and only allowing 1 run. The lefty has been rock solid in the pitcher's circle this season.
- Julianna Wade continues to impress as she holds down the catcher position! She's been a key piece of the team this season. Always hustling and always smiling!

Overall, it was a great team win! The Vipers plan to carry this momentum into Round 1 of the playoffs that start next week. LET'S GO VIPERS!
