

Home Game vs Gavilan Peak

The SV softball team pulled off an amazing win against Gavilan Peak on Tuesday with a score of 25-12. The entire lineup, top to bottom, had a great day on offense, putting up 10 total hits in the game. Natalie Gonzalez, Audry Thomas, and Julianna Wade each hit shots into left field for a stand-up double.

On defense, every Viper hustled and played with confidence. Abbi Gusich really showed her toughness by playing catcher the entire game! Madison Foley did her part also by throwing a runner out from right field! Not sure we caught it on video, but it was a true SV Center highlight!

With only one game this week, the girls will take the extra practice day to prepare for next week's road game versus West Wing.

Go Vipers!
