

## Welcome to the 2021-2022 School Year

Dear Canyon Springs STEM Academy Families,

We are excited to welcome/welcome back all of our families to Canyon Springs STEM Academy. We are looking forward to an extraordinary 2021-2022 school year as we learn about your child, encourage students, and celebrate success! As a top priority for the 21-22 school year, we want all students to understand that they are truly valued and hold a special place within our school community. Canyon Springs STEM Academy welcomes and values your positive energy and dedication to education.

### Parking Lot Procedures:

Along with academic success, your child's safety is incredibly important to us. We ask for your cooperation in respecting the following established safety procedures at Canyon Springs:

- There are new signs posted in the parent pick-up/drop-off loop. Please follow the signs and say your goodbyes prior to the three signs labeled "Drop-Off" spots. **All drivers must remain in their vehicle.** Staff will be available to assist with students needing help.
- Drop off begins at 8:00am. This will help make the line move quickly. **There is no supervision outside of the gate before 8:00am.**
- Students are only permitted on campus prior to 8:00am if they are going to breakfast at 7:45am or have a club/sport.
- **Please do not drop off your children in the parking lot.** Please drop your child(ren) off only in the parent pick-up/drop-off loop.
- If you choose not to wait in the drop-off/pick-up lane, please park your car in our parking lot and walk your child safely across the crosswalk.
- Please do not park in DISABLED SPACES unless your vehicle is appropriately licensed/marked.
- Please remind your child(ren) that skateboards, scooters, skate shoes, and rollerblades are not allowed on campus at any time (refer to the DVUSD Student Rights and Responsibilities Handbook). **BIKES MUST BE WALKED ON CAMPUS.**
- **Please be on time. Being punctual for school and after school pick-up sets a positive example for your child(ren).**

### Communication:

Administration will be communicating with parents frequently regarding important events and information happening on campus. The main form of communication will be done through a 'Smore' electronic newsletter. The newsletter link will be sent out through emails, text messages, and Canyon Springs' social media accounts. If you are not receiving the newsletter, please contact the front office.

There will also be phone "call-outs" by administration regarding important reminders and information. These "call-outs" will come from the following number: 1-855-269-0502 (not the school number). You will be able to retrieve old messages and call-out information from this number as well.
