

## PARENT PICK UP/DROP OFF AREA

Several parents have written to me about the dangerous conditions in the main parking lot on the south side of the school. Some parents are blocking entrance into the lot and parking at the edges of the entrance and exits to prohibit vehicles from turning or even seeing to pull out. Please pull all the way into the lot and make sure students have everything ready to exit the vehicle rather than gathering things from the trunk or finishing homework in the car or putting on shoes, etc.

- ♦ For the safety of all, especially the children, please follow the one-way parking flow system for pick-up and drop-off in the south parking lot located on the corner of North Arrowhead Loop and North 62<sup>nd</sup> Avenue.

- ♦ Parents are NOT permitted to stop their vehicle and pick students up on Arrowhead Loop Road.

- ♦ Students should exit and enter the car curbside ONLY

ON GREEN CURB.

- ♦ Students should cross streets only in marked crosswalk areas with a crossing guard.

- ♦ The parking lot in front of the administration building is NOT a pick-up or drop-off zone. The curb in front of the office has been deemed a no parking zone and the curb on Arrowhead Loop Road, so please do not park there as you could be ticketed by the Glendale Police Department.

- ♦ Please drive slowly and cautiously around the school zone areas and pay particular attention to the crosswalk areas and crossing guards.

- ♦ Stay off cell phones around the school during arrival and dismissal. Staying aware increases safety.
