STUDENT RESPONSIBILITIES

A responsibility is an obligation one has to ensure that the rights of all are protected.

All students have the responsibility to:

- Attend school to receive an education.

Schools cannot educate students who do not attend. Students must attend school daily unless ill or legally excused.

- Be on time for all classes.

Students who enter a classroom after a lesson has begun are interfering with the rights of others to learn and study. Punctuality is a habit that students must develop if they are to be successful in the world of work.

- Come to class with necessary materials.

A teacher should not have to delay instruction because a student comes to class unprepared. This interferes with the rights of others to learn and study.

- Complete all in-class and homework assignments and meet all deadlines.

The full responsibility for student learning does not rest solely with the teacher. Education cannot be effective unless students participate in class and complete all assignments.

- Obey school rules and school personnel.

No one has the right to interfere with the education of others. Rules are designed to allow a school to meet its obligation to educate students. Students are required to obey and be courteous to everyone who works in our schools.

- Cooperate with school staff.

Every community depends upon its citizens to uphold the rules by which everyone has agreed to live. Students have the responsibility to provide truthful information when asked by school authorities.

- Respect the person and property of others.

Treat people and their property with respect.

- Respect public property.

Schools are a community investment and resource for young people. People who damage school property will be held responsible, including financial restitution, for lost, stolen, or broken school-owned equipment.

- See that school correspondence to parents reaches home.

Education is a partnership between home and school. Students must do their part by delivering home progress reports, attendance information and report cards, and any other school correspondence.

GENERAL INFORMATION/SERVICES

THE BOOKSTORE

Students attending Mountain Ridge High School will receive their textbooks for the school year during the first few weeks of the semester. Books which are lost or damaged become the student's responsibility. The Bookstore will be open before and after school and during lunch hours. Exact hours will be posted at the Bookstore.

CAFETERIA

The cafeteria sells breakfast and lunch. There are a variety of a la carte items (things sold separately) as well as meals. Students may purchase items with cash or by using their account.

Student accounts are created by applying cash or check (any amount) toward the student's account number. Students may apply monies toward their account during breakfast, at the snack bar, before school starts (7:00-7:25), or during lunch with any cashier at a register. When the account falls below \$10.00, we inform students so they are aware they need to replenish their account.

Meal plans for breakfast start at \$1.50 and lunch meal plans start at \$2.75.

The cafeteria does not allow the student to charge meals. If a student forgets his/her lunch money, the student should contact the head cashier during the lunch period, so that a meal can be provided.

Free and reduced priced meals are available to students unable to pay for breakfast and lunch. Eligibility for this program is determined by family size and income. Students who wish to apply for free or reduced price meals may obtain an application from the front office or from a cashier. This information is confidential.

If you have any questions please call 623-376-3014.

COUNSELING OFFICE

The MRHS Counseling Department offers a Comprehensive School Counseling Program, which focuses on what students should know, understand and be able to do in three domain areas: academic, career, and personal/social. The emphasis is on academic success for all students, so that they can achieve success in school and develop into contributing members of society. The MRHS Counseling Program was designed using the Arizona Model: A Foundation for School Counseling established by the Arizona State Department of Education. A calendar of counseling classroom lessons and activities is posted on the MRHS Counseling web page. To see a counselor, students should go to the Counseling Office before school, lunch, or after school to sign up for an appointment.

1. A counseling pass will be sent to the student's class as soon as possible. If the teacher feels the student cannot afford to miss class at that particular time, the student must respect the teacher's decision and reschedule the appointment.
2. The counseling pass will be time-dated for the student's return to class.
3. Parents are encouraged to call for appointments in order to avoid conflicts.
4. These procedures will be followed except in special or emergency situations.

DISTRIBUTION OF NON-SCHOOL PRINTED MATERIALS ON CAMPUS

Approval must be obtained from the administration at least two days prior to distribution. A student denied approval may have the right of appeal to the Principal as part of due process. Stickers are not permitted on campus at any time.

HEALTH CENTER

The Health Center provides health education, counseling and some emergency care for students and staff.

One full-time registered nurse serves as a health advisor on student health problems. When accidents or illness occur during school hours, emergency care will be given according to standard orders of care; further care is the responsibility of the parents.

All accidents are to be reported to the nurse by the person involved and the supervising person.

Feminine products are available at no charge in the Health Center.

ILLNESS OR ACCIDENT

The health center cannot diagnose medical conditions. The nurse may recommend further medical follow up.

STUDENT HEALTH AND RELEASE INFORMATION

The Student Health and Release Information form must be filled out, signed and on file in the Health Center in order to attend Mountain Ridge High School. This information aids the Health Center personnel in giving each student care and assistance during emergency times.

MEDICATIONS

PRESCRIPTIONS:

1. Forms are available in the Health Center if medication is needed during the school day.
2. Each bottle of medication must be in the original container and the medication form filled out and on file in the Health Center.
3. Only the dose recommended by the manufacturer will be given. A dose greater than the manufacturer has recommended will require a physician prescription.
4. Inhalers may be carried if the proper medication form has been filled out and on file in the Health Center.

OVER THE COUNTER MEDICATION ON CAMPUS:

1. A parent/guardian must provide all medication to the Health Center.
2. A medication form must be filled out and medications must be kept in the Health Center in the original bottle. *Only the dose recommended by the manufacturer will be given. A dose greater than the manufacturer has recommended will require a physician prescription.
3. For information on inhalers and “Epi-pens”, please refer to the Student Rights and Responsibilities Handbook.

Medications needed during field trips must be furnished by the parent to the teacher. All medications must be in their original containers with label intact and will be kept with the teacher or trip leader for the duration of the field trip. A Field Trip Medical Permission Form must be filled out and returned to the teacher prior to the field trip.

NOTE:Medication may not be shared with friends! Failure to follow these rules could lead to consequences up through suspension or expulsion.

IMMUNIZATIONS

Schedules will not be handed out if immunizations are not current at the beginning of the year. You will have received a notice in the mail if and when your child is due for a booster. If immunizations are due during the school year classes will be closed for failure to comply with the health center request to have the student's immunization record updated in accordance with state requirements. Written proof must be provided either from your doctor or from a clinic. Call the Maricopa County Health Clinic 602-263-8856 for low-cost immunization information.

PHYSICAL EDUCATION/DANCE

Parent excuses are accepted in writing only for up to three days. After three (3) days, a doctor's written excuse is required. These excuses should state the student's full name, grade, the date the excuse was written, the reason and the number of days for which the excuse is written for.

The statement “excused until further notice” is not acceptable from the doctor. We prefer a definite time span, as some students with long-term problems may need to be placed in a Limited Physical Education class, to maintain their grade and receive credit to graduate.

If students become ill or injured just prior to the class, they may take a non-dress for that day and clear it with a note from their parent or legal guardian the following morning. All excuses must be received at the Health Center before the beginning of the school day or during that sport class. These rules also apply to dance classes.

LOST AND FOUND

A lost and found for clothing is maintained by the Health Center. Lost valuables are kept in the security office. Lost books are sent back to the bookstore.

HOMEBOUND PROGRAM

Students who must be absent from school because of physical disabilities or extended illness may qualify for homebound instruction. A doctor's written statement that the student will be absent 90 or more school days will be required. Forms are available in the Health Center.

IDENTIFICATION CARDS

Each student will be issued a bar coded photographic identification card. Students must have this I.D. card in their possession at all times and must present it upon request of any staff or faculty member. Failure to carry an I.D. card could result in disciplinary action or a charge for a new I.D. I.D. cards are required for admittance to all school activities. The replacement cost is \$5.00 which will be debted to the student's account in the Bookstore if they are not in possession of their I.D while on school property.

HANDBOOKS

Each student will be issued a handbook. The replacement cost is \$5.00 and may be purchased in the Bookstore.

INSURANCE

Student accident insurance is available to all students at a low premium. It is up to parents or guardians to secure the insurance. The school district may not, according to law, provide student insurance but it may make the insurance available. Insurance information and applications are made available at the time of registration. Students/Parents may also request the information from the Athletic Office. Student insurance or proof of insurance is required for participation in athletics.

LIBRARY/MEDIA CENTER

The Media Center is open to all students daily from 7:00 a.m. to 3:00 p.m. The Media Center is open for research, reading, projects and study during lunch periods and before & after school. Students found using technology for any reason other than research, reading, and study will be warned that they are in violation of the district's internet agreement and may be asked to leave and/or receive a discipline referral.

A current year school I.D. is required for admission to the Media Center.

Students may check out two (2) books for a two (2) week period. Renewal options are available. Late books are subject to a \$.20 per day fine until returned. The expectation is that materials are returned in good condition to avoid incurring damaged or lost charges. All overdue books and fines are due to the Media Center by the end of each semester.

Students will receive overdue notices on a timely basis. Contacted students who do not return or take advantage of the renew option, or clear fines will lose the privilege of applying for campus parking and/or not be cleared for graduation.

STUDENT RECORDS/POLICY STATEMENT

The records of District students are confidential and may be released and/or reviewed only for educational purposes. The release of student records will be in compliance with Arizona Revised Statutes and all applicable Federal laws. Special Education records are requested through the District Office.

Further information on this subject may be obtained from the Office of the Registrar.

Parents or students over 18 years of age may view records at any time.

VISITORS/GUESTS/VOLUNTEERS

All guest speakers, visitors and volunteers must sign in with the front office. Teachers must fill out the proper paperwork and get approval by the assistant principal to request guest speakers/visitors/volunteers in their classrooms. All volunteers must complete proper paperwork and get prior approval by the assistant principal.

NOTE: No student may have a guest on campus during the school day.

ACADEMIC REQUIREMENTS FOR PARTICIPATION IN EXTRACURRICULAR ACTIVITIES

In order to represent the District in an extracurricular activity as described in “No Pass - No Play,” the student and the parent/guardian shall be notified when:

- Ineligibility is pending.
- Ineligibility is determined to be necessary.

Grade checks will occur weekly on Thursdays, and letters will be mailed on Friday to notify parents of ineligibility status.

Tutoring can be arranged for students who become ineligible for extracurricular programs as well as to students notified of pending ineligibility.

The same general standards shall apply for special education students, except that such eligibility shall be determined on a case-by-case basis in relationship to the respective student's individual education programs.

In implementing this policy, the following clarifications apply to all students:

- Students must successfully complete all classes in which they are enrolled; consequently, any student who withdraws from a class with a “W/F” or loss of credit due to discipline or any other reason, will be ineligible for the duration of the semester.
- During an appeal process for loss of credit, the student will be ineligible for extracurricular activities.
- AIA requires that a student must be enrolled in a minimum of five courses the first six semesters of high school and a minimum as determined by the district during the seventh and eighth semesters.

ATHLETICS

- All athletic teams-freshmen, junior varsity, and varsity are covered by this policy.
- Athletes may be allowed to practice with the team during periods of ineligibility.
- All spiritline members are covered by this policy.

PURSUING VICTORY WITH HONOR

Mountain Ridge High School has taken a leadership role in expecting the sportsmanship displayed by our athletic teams, student body and community at events to be outstanding. We've placed a higher value on respect than wins and losses because there is more to be learned in educational athletics than how to shoot, score, run, and throw. Maintaining a proper perspective about school sports will help us in our quest for good sportsmanship. Therefore, we are incorporating the themes of the AIA - Pursuing Victory With Honor - program into our athletic programs by practicing the Six Pillars of Character:

Trustworthiness | Fairness | Respect | Caring | Responsibility | Citizenship

We expect our coaches, athletes, student body and adult spectators to exhibit these characteristics at all events. Administration reserves the right to ask spectators to leave an event when a breach of this expectation occurs.

PERFORMING ARTS

Competitive activities in music (band/choral) are as determined in the State Association Handbook. Specifically these include: AMEA Solo and Ensemble Festival, AMEA Regional and State Band/Orchestra/Choir Festivals, AMEA Arizona All Region/State Auditions and all University Festivals.

STUDENT ACTIVITIES

- Any student eligible may belong to any school club and participate in local club activities.
- Students who are interested in starting a new club on campus must have a faculty sponsor and fill out the proper paperwork. Further clarification can be obtained through the athletics/activities office.

ATHLETICS

Written approval may be obtained through signing a release form in the Athletics Office or in the presence of the coach

ELIGIBILITY (ATHLETICS-OTHER AIA SANCTIONED ACTIVITIES)

Each year an athlete must establish his/her athletic eligibility for the up-coming school year. Athletic packets, which include forms, instructions, etc., are available in the Athletic Office.

To participate in interscholastic athletics, you must meet Arizona Interscholastic Association (AIA) requirements. The following are a few of the specifics. If a student receives a W/F (withdraw/fail) in one or more classes, the student is not eligible for the remainder of the semester for extra curricular AIA activities.

NO PASS/NO PLAY

ALL students participating in AIA sanctioned events must maintain a passing grade in all classes. Teacher's academic records will be surveyed every week and a student failing will receive notification of "pending ineligibility". A student failing two consecutive weeks will be ineligible to participate (Monday-Saturday), unless a subsequent check after one week indicates a passing grade. The "ineligibility" period will then be one week (Monday-Saturday). At the coaches discretion, students can practice during the ineligibility period. They may not suit up for competitions. "No Pass/No Play" guidelines as established by the State Board of Education.

TRANSFER STUDENTS

If a 10th, 11th, or 12th grade student transfers from another school and wishes to participate in athletics, he/she must notify the athletic department well before the season of sport. The appropriate 520 or 530 Form must be completed by both schools and accepted by the AIA prior to eligibility in competition. Proof of domicile will be requested of the family by the athletic department. If there has been no change of domicile, the athlete will be ineligible to participate in any sport that they participated in their previous school unless a hardship can be proven to the AIA. Please contact the athletic department with any questions regarding this process.

AGE LIMIT

If a student becomes nineteen (19) years of age on or before September 1st of that current year, he/she is not eligible to participate in interscholastic athletics.

DATE OF ENROLLMENT

Students enrolling after the semester begins or transferring from another school may not participate until cleared through the athletic office.

AIA BYLAWS; ARTICLE 15

15.3.5 In order to establish eligibility, a student's initial enrollment shall be no later than the 14th official school day of the semester. If a student's initial enrollment occurs after the 14th official school day of the semester, he/she is ineligible for that semester.

15.10 After enrolling and attending one or more classes, students changing enrollment to/from one school to another school shall be considered a transferring student. Upon completion and filing with AIA of Form 520 (Application for Eligibility), a student shall be eligible to participate in interscholastic competition at the school to which he/she transferred provided there is a corresponding change of domicile of parent(s) or guardian(s).

AMATEUR STANDING

Amateur standing is defined in the AIA Handbook. Questions involving amateur status will be answered through the athletic office. Students should never accept money for participation in any athletic event. There is a limit on awards that may be received in non-school activities. Contact the Athletic Office for rulings specific to non-school participation in individual sports.

COMPETITION RESTRICTED TO SCHOOL TEAM

A student who is a member of a school team shall not practice or compete with any other group, club, organization, association, etc., in that sport during the interscholastic season of competition. This rule applies to team sports only, which are football, badminton, baseball, basketball, volleyball, soccer, softball, spirit line, track relay and swimming relay teams. For purposes of this rule, the interscholastic season of competition shall begin with the first regularly scheduled game and conclude with that particular team's final game. Any student violating the above rule shall forfeit his/her eligibility for a minimum of the balance of the season for that sport or up to a maximum of one calendar year.

SEASONS OF COMPETITION

No student, while enrolled in a four-year school shall have an opportunity to compete for more than four (4) seasons per sport during his/her high school career. Additionally, after a student first enrolls in the ninth grade, he/she has a maximum of eight semesters of opportunity in each sport or activity.

PHYSICAL EXAMS/BIRTH CERTIFICATES/INSURANCE

No student shall be permitted to begin practice in any established sport unless there is on file with the Athletic Office, a physical examination form specifying that in the opinion of the examining physician, he/she is fully able to compete in athletic contests. A birth certificate must be verified and recorded as well as accident insurance (school or personal).

CODE OF CONDUCT

Participation on an athletic team is a privilege carrying certain responsibilities. When a student becomes part of a team, he/she will represent Mountain Ridge High School throughout the state. He/she is expected always to exhibit the kind of behavior and leadership that speaks highly of himself/herself and Mountain Ridge High School.

He/she is also expected to follow all team/school rules and attend practices and games. If he/she does not, coaches may take disciplinary action and could bar him/her from further competition.

Any student found taking, defacing, marring, misusing or destroying athletic equipment or general school property may suffer possible suspension from all athletics, use of athletic facilities and equipment, or suspension from school.

Athletes who indulge in illegal substances such as tobacco, alcohol or drugs (including anabolic steroids) will be subject to discipline and may be suspended from competition and/or school.

USE OF EQUIPMENT

All athletic equipment issued by the Deer Valley Unified School District remains the property of the district. It is on loan to the student athlete to be used in regularly scheduled practices or games only. A replacement fee will be assessed at the end of the season for any lost equipment. If equipment is found after the fee has been paid, it should be returned to the bookstore accompanied by the receipt of payment and a refund will be made. Athletic equipment will not be considered bought if paid for after it is lost.

Remember, athletic equipment should not be worn at any time other than during practice or game sessions, unless specific permission has been granted by the coach.

LOCKS, LOCKERS, TOWELS

Athletic locks and lockers will be provided to each athlete. There is no charge for this service unless the locker is damaged or the lock is lost or damaged. **To prevent the loss of your lock or athletic equipment, do not reveal your lock combination to other students. Also, always make sure your lock is locked when leaving your locker.** Athletes must furnish their own towels for practice and games.

- Only school-issued locks are to be used.
- School authorities reserve the right to open and search the school lockers under the following conditions:
 1. When a student drops or withdraws from school.
 2. When deadlines are not met for the return of school property.
 3. When there are reasonable grounds for believing that something contrary to school rules or significantly detrimental to the school and its students will be found in that locker.

STATEMENT OF NOTIFICATION (INFORMED CONSENT VIDEO) & BRAINBOOK PROCEDURE

Because of injuries and ensuing litigation, it is the responsibility of Mountain Ridge High School, as a member of the AIA, to notify all students/athletes of the following:

It is understood that participation in organized interscholastic athletics involves the potential for injury which is inherent in all sports. It is acknowledged that even with the best coaching, use of the most advanced protective equipment and strict observance of rules, injuries are still a possibility. On rare occasions, these injuries can be so severe as to result in total disability, paralysis, quadriplegia, or even death.

Student athletes and their parents are required to view the Informed Consent video and complete the documentation form each year and prior to participating in a sport program.

Forms to purchase School Accident Insurance are available in the Health Center and Athletic Office.

BRAINBOOK QUIZ - AZ State Law ARS 15-341 (A)(24)(b)(SB1521) mandates that schools provide concussion education information to students, parents and coaches. The Brainbook concussion course was approved by the AIA Executive Board on August 15, 2011 as the concussion component to this law. www.aiaacademy.org

ATTENDANCE PROCEDURES

Arizona law requires students to attend school through age sixteen. The right and privilege of attending public school carries with it certain responsibilities on the part of both parents and students. It is the responsibility of school personnel to keep the parents informed of actions that might have a detrimental effect upon the educational growth of individual students. Students should attend school daily.

School attendance is ultimately the responsibility of the student and his/her family. The benefit of lectures, activities, discussion, and participation is lost forever to those who are absent.

REPORTING ABSENCES

Parents/guardians must call the attendance office on the day of, or by noon of the following day to excuse an absence. Notes are not accepted to excuse an absence or for early dismissal from classes.

If a student misses one or more classes, a computer phone call is attempted to a designated phone number. If the student is ill or had another documented reason for the absence, a parent/guardian must call to excuse the absence or it will be unexcused. The PowerSchool Program is available online for parents/guardians to view. This program gives parents/guardians access to grades and attendance and provides a direct link to e-mail teachers. For their access codes parents should see the counseling office secretary.

LATE ARRIVALS

We encourage parents to assist students in arriving to school on time. If a student is late to class, after the final bell, a parent must accompany the student to the office in order to obtain a pass to class. If a student has an appointment slip, etc. from a doctor, dentist or other documented appointment to show in the office, a pass to class will be issued and then the student may go to class.

During first period only, if a student arrives after 8:00 a.m. without medical documentation, they will report to the OCR room with their pass until the 2nd period bell rings to minimize disruptions in the classroom learning environment.

If an entire period is missed because of an excused tardy, that period is counted as an excused absence and will count against the limits of the attendance policy.

EARLY RELEASE (APPOINTMENT, ETC.)

Pre-planned absences can be reported to the attendance office by phone in advance of the day of absence. To release a student early for an appointment, a parent/guardian can call the office at 623-376-3000. A pass will be written to release the student **to the attendance office** at the designated time, and a **parent/guardian must come in to sign the student out**. It will be the responsibility of the student to pick the pass up if it has not been delivered to the student by authorized personnel. If a parent/guardian does not come into the attendance office to sign their student out, the absence will be considered unexcused. Please remember that a person picking up a student must be listed as an emergency contact and show a valid picture I.D. A parent must call ahead for a student to be excused and released to an emergency contact.

TRUANCY

Arizona State law says that it is unlawful for any child between the ages of six and sixteen to fail to attend school during the hours school is in session, unless there is a valid excuse. The child will be considered truant when there is not a good reason for not attending school. If a parent fails to ensure that the child attend school, the law states that they are guilty of a Class III (3) Misdemeanor. When the parent does not provide a valid excuse for the child's absence, a law enforcement officer may cite the student, parent or custodian directly into court for violating the state truancy law. (re: A.R.S. 15-802, 15-803, and 15-804)

A habitually truant child is a child between the ages of six and sixteen who has five (5) days of unexcused absences or five (5) unexcused absences from class within a single school year. (Re: A.R.S. 15-803, C.1.) A student who is habitually truant from school may be issued a criminal citation. An administrator or designee will attempt to notify the parents that the citation may be issued, and the parent will be required to appear in court with the student.

Upon reaching four unexcused absences, a student may lose credit in that class. Upon reaching any combination of 13 excused or unexcused absences, a student will be placed on no credit status.

For students under 16 years of age, a Truancy Citation may be issued if a student has five unexcused classes.

*Students with excessive excused absences may be required to provide medical documentation to remain in class and to excuse any further absences. If additional absences occur, and no medical documentation is provided, the student may be placed on no credit status. If a medical exemption is given for the first semester, it may not carry over into the second semester.

LOSS OF CREDIT APPEAL PROCESS

Governing Board policy states that "Twelve (12) absences per semester are allowed for illness, disease, accident, family emergencies and religious purposes. Written verification by the appropriate person, doctor, licensed health professional or clergyman may be required for the additional absences." Upon reaching 13 absences in any one class, students will be placed on loss of credit status. The student may appeal to the credit review committee for credit in that class. If documentation cannot be provided, the student and his/her parents/guardians will meet with the credit review committee, who will determine if credit will be received. Students are required to continue to attend all classes, submit work and participate regardless of their credit status.

TARDY/SWEEP PROCEDURE

1. A warning bell will ring exactly one minute prior to the tardy bell.
2. When the tardy bell stops ringing, any student not in his/her assigned class is to proceed immediately to the sweep area.
3. Teachers will "sweep" the hallways and send/escort any student not carrying a pass to the sweep area.
4. "Swept" students will remain in the sweep area for the entire period under the supervision of a school staff person.
5. The names of students in the tardy sweep classroom will show up on the teacher's PowerSchools. Teachers will mark students absent until the change shows.
6. Students who do not report to the sweep area within 10 minutes will receive an unexcused

absence.

7. If a student is late to class after the final bell, a parent must accompany the student to the office in order to obtain a pass to class.

CONSEQUENCES FOR BEING “SWEEP”

1. Students who miss class due to sweep are responsible for submitting any work due that day. It is the responsibility of the student to get any assigned material on the same day of the sweep and have it prepared on the due date.
 2. Students who do not report to sweep will receive a referral for truancy.
 3. Students will not be allowed to work on school assignments while in sweep.
 4. Parents will be notified, by letter, on the 3rd through 6th sweep(s). A detention will be issued on the 5th and 6th sweep.
 5. The 7th sweep, and every sweep thereafter, will result in suspension.
- * Sweeps accumulate for the entire year; they do not start over at semester.

ACADEMIC REQUIREMENTS

MARKS AND GRADING

PROCEDURES

All teachers will follow these procedures in determining student grades:

1. Teachers will use points in recording student grades in the grade book.
2. These points will be cumulative from the beginning of the semester to the end of the semester.
3. To determine semester grades, points generated throughout the semester will constitute 80% of the student's grade, and the semester exam will constitute the remaining 20%.

GRADES

The marking system recommended for teachers is as follows:

A - Excellent	90%	to	100%
B - Above Average	80%	to	89%
C - Average	70%	to	79%
D - Below Average	60%	to	69%
F - Failing	Below 60%		

*Students will not be awarded credit for a grade of 'F'.

REPORT CARDS

The Deer Valley Unified School District is dedicated to contributing to a sustainable future for our planet through reducing consumption, reusing what we have and recycling what we can. This philosophy includes conserving natural resources. To support this, in lieu of printing high school semester report cards, parents/guardians and students will use PowerSchools to check students' semester grades. If you are a parent/guardian or student who would like to receive a hard copy of the semester report card during this school year, please contact the school. Parents/Guardians and students may continue to request copies of unofficial transcripts from the school at any time.

PARENT CONCERNS

A parent concerned about a grade should always discuss it with the teacher before bringing it to the attention of a counselor.

EXAMINATIONS

All students must take required final examinations. Final examinations may not be given in advance of the assigned date and time.

Students with extenuating circumstances may request late examinations at the end of the semester. The request must be submitted to the Assistant Principal's office at last two (2) weeks prior to the student's anticipated last day. Students who are absent, or have been approved to take late finals for the fall semester, may make up exams within two weeks of return to school in January. Students who are absent, or have been approved to take late finals for the spring semester, may make up exams within the two weeks following the last day of school. Incompletes for final exams not made-up within this time frame will be changed to a zero. **NO EARLY FINALS WILL BE ADMINISTERED.**

WEIGHTING OF GRADES

In selected subject areas, different honor points will be assigned to grades in order to reflect the level of work and performance of the student. The following table indicates honor point equivalents.

Honors (H) and Advanced Placement (AP) Courses:				Regular Courses:			
Grade	A	Honor Points	5	Grade	A	Points	4
	B		4		B		3
	C		3		C		2
	D		1		D		1
	F		0		F		0
<i>*Colleges and Universities may unweight grades.</i>							

CLASS RANKING

The following designated courses will be used when calculating the high school class ranking list:

Freshman	Sophomore	Junior	Senior
English Language Arts	Language Arts	Language Arts	Language Arts
Math	Math	Math	Math
Science	Science	Science	Science
	Social Studies	Social Studies	

- If more than one class is taken in the same designated subject area during the same semester, the class with the highest grade will be used. Or, if the grades are the same, the most advanced level class will be used.
- Only the designated classes taken during the freshman through senior years and approved DVUSD math classes taken in 7th and 8th grades will be used for class ranking.
- This proposal applies to class ranking only, not to individual GPA. The individual GPA will continue to include all classes on a student's transcript as currently processed. (It should be noted that the universities recalculate the individual GPA according to their own formula.)
- Qualifying classes from the designated subject areas will include non-elective courses that meet the requirements for graduation.
- Students taking late finals after the two week window will be ranked as their grades appear at the time of ranking.

REQUIREMENTS FOR GRADUATION

Students must complete a total of 22 units of credit including the following courses:

4 credits of English Language Arts

4 credits of Math

3 credits of Lab Science, one of which must be Biology

.5 credit of Health

.5 credit of Physical Education

1 credit of World History

1 credit of American/Arizona History

.5 credit of American/Arizona Government

.5 credit of Free Enterprise or Economics*

1 credit of Career and Technical Education (CTE) or Fine Arts

6 credits of elective courses (Note: 6 elective credits for class of 2013 and beyond)

Must meet "proficiency" on all reading, writing and math AIMS tests.

(*Marketing and Advanced Marketing or Free Enterprise may be substituted for Economics)

EARLY GRADUATION

Students planning on early graduation must file a request for early graduation at the beginning of their last year of attendance. Early graduation requires administrative and parental approval unless the student is 18 years of age. Diplomas will be awarded at the yearly commencement. All final exams must be completed by the end of senior final exam day. Students must pass reading, writing, and math sections of AIMS before a plan can be written. Please see the Academic Planning Guide for specific requirements.

ARIZONA ONLINE INSTRUCTION/HIGH SCHOOL

COURSE CREDIT

Students who take an AOI course not pre-approved by a DVUSD school counselor and receive credit for courses through the AOI organization will have those credits accepted as elective credit only, unless a test-out is taken and passed successfully for core credit.

The test-out score will be the grade recorded for the core class on the DVUSD transcript. For pre-approved courses for an external AOI instruction, DVUSD will accept the credit as elective credit with the option to take a test-out. For core credit, the grade on the DVUSD transcript will reflect the test-out grade. A student may elect to maintain the elective credit and the grade on the AOI transcript will be used for the elective grade on the DVUSD transcript. Any other out-of-district course credit must be approved by a counselor prior to enrolling in the course. A maximum of three (3) credits (over a student's four years) may be accepted from a non-DVUSD school or external AOI institution.

COMMUNITY COLLEGE

Only pre-approved courses may be accepted from community college for high school credit. This approval must be done through high school counselors. Only courses 100 level and above may be transferred. Students must provide official transcripts from the community college to be granted credit. Please note: the community college will not send transcripts to the high school without payment and written approval from the student.

LATE ENROLLMENT

No new student will be enrolled for credit after school has been in session for more than twenty (20) days unless the student is transferring from another school/district.

SCHEDULE CHANGES

Valid schedule changes are made in the first 5 days of a semester. Since numbers of course sections depend upon pre-registration information, valid reasons for a schedule change are: 1) Computer error; 2) Changes needed to satisfy graduation requirements; 3) Changes required by health; 4) Completion of an approved summer school, community college or online course.

Teachers or students who request a placement change from an honors level course to a regular-level course, or from a regular-level course to an honor's course, may do so after fifteen (15) days of the semester and before twenty five (25) days provided there is sufficient data that such a change is

merited. Any student (regular or (H), (AP)) who withdraws from a class after the first twenty (20) days of the semester, but before the end of the tenth (10) week will receive a grade of WP or WF; however, students will continue to attend class for the remainder of the course. Requests for class withdrawals will not be processed after the tenth (10) week of the semester. WP or WF grades will be posted on a student's transcript, but are not factored into GPA or class ranking. Students who receive a WF will be ineligible for extra-curricular and AIA participation.

AUDITING COURSES

Audits are primarily for students who enter school after the 20th day. Approved audits are official agreements and will be noted on the student's schedule and transcript. Under no circumstances will an audit request be granted in order to avoid the consequences of a grade.

TEST OUT PROCEDURES

The purpose of a test out is to allow students to demonstrate course competencies instead of completing the course. Students who believe they are proficient in a course may request a test out exam up to 10 school days beginning with their first day of class. Students who have begun a course or have taken a course are not eligible to test out unless the student has an AOI elective credit he or she would want to test-out for a core-content grade on the transcript. Students may take only one test out exam per academic class. Students who request to test out of a year-long course must complete a test for both semesters. The district does not provide study guides, textbooks, or other types of assistance. Credit will be given, and the student's transcript will reflect the letter grade earned on the test only if the score is 70% or higher (only passing grades are calculated in the GPA). Once credit is awarded, a student may not take the course. Students should see their school counselor for more information.

MAKE-UP ASSIGNMENTS

Upon return to class after an absence, a student has one school day for each day missed to makeup work/tests regardless of the number of days absent. For example, if a student is absent for four days, he/she will have four school days to make up and turn in the work. It is the student's responsibility to check with teachers immediately upon return for work missed. Teachers may choose to schedule an appointment with the student to formulate a plan for the completion of make-up work.

Make-up work for extended absences (over 3 days) may be requested through the Counseling Office and picked up there.

MAKE-UP WORK REQUESTS

If a student will be ill for a minimum of three (3) consecutive days, parents may request assignments by calling the Counseling Office. A notice for the missed work will be sent to the teachers. Parents may pick up the assignments in the Counseling Office between 2:30 and 3:00 p.m. on the FOLLOWING DAY. (Teachers must be given a 24-hour notice for homework requests.) Completed assignments should be returned to the teachers. If illness is longer than anticipated, please call the Counseling Office again.

LONG-TERM PROJECT GUIDELINES

Long-term projects are due on the date and time assigned, as defined in writing in advance by the teacher. If the student is absent, the project is still due on the day assigned. A long-term project is defined as an assignment that is assigned at a minimum of two weeks prior to the due date.

GRADE IMPROVEMENT

All students must see the school counselor before repeating a course to complete a duplicate course/GPA acknowledgement form. Transcripts will reflect the original and repeated course grades. The improved course grade will be the grade of record and will be factored into GPA.

EARLY DEPARTURE

Under emergency situations students may be allowed to leave school prior to the end of a semester. Approval from Administration must be received at least two weeks prior to the student's last day in school. If approved, it will be the student's responsibility to satisfy all course requirements with administrator/counselor approval.

WITHDRAWING FROM SCHOOL

If a student decides to withdraw from school for any reason, a parent/guardian must accompany the student to the office to obtain the withdrawal form.

The withdrawal form must be signed by the registrar. All books and school-issued iPads must be returned to the bookstore prior to withdrawing. Official records will not be released until all debts are cleared.

Students who are transferring to another school will be given a copy of the withdrawal form which will list the grades to date of departure. The form will assist students entering another school.

DANCES

Dances sponsored by Mountain Ridge High School on or off campus follow the guidelines listed below:

1. Dances are open to all students who attend Mountain Ridge High School. Prom is open to all Mountain Ridge Juniors and Seniors; they may each bring one guest. Suspended students may not attend Mountain Ridge dances if the dance occurs during their suspension. MRHS administration reserves the right to deny guests of students based on prior discipline.
2. Students must have a valid student ID to attend dances or receive permission from an administrator.
3. Guest Policy: Each Mountain Ridge student may bring one guest to dances. Guests must be in high school or if out of high school, under 21 years of age. All guests must present a valid high school ID or valid Driver's license. No middle school students are allowed to attend Mountain Ridge dances. Each guest must be accompanied by a Mountain Ridge student upon arrival or they will not be admitted to the dance. Administration may revoke this privilege on a case by case basis.
4. Poor behavior will cause a student to be asked to leave the dance and the student could face further consequences depending upon their actions. All DVUSD and Mountain Ridge rules and policies pertaining to student conduct apply to dances.
5. School dress codes apply to dances. (Exceptions are made for formal attire and are at the discretion of administration.)
6. At the discretion of the administration, chaperones, or hosts, students may be asked to leave the dance for dancing that is deemed inappropriate.

STUDENT CONDUCT

INTRODUCTION

Deer Valley School District has an approved discipline handbook for all students. In order to assist you and others in the pursuit of a quality education, we have established some guidelines for student behavior. These guidelines are designed to create a pleasant and safe environment for all students in our school. Students shall comply with the District policies, regulations and procedures, pursue the required courses of study, and submit to the authority of the teachers and administration.

DUE PROCESS OF LAW

In all disciplinary action included herein, students will be afforded due process of law under the Constitution of the United States, the laws of the State of Arizona, and the regulations of the Deer Valley Unified School District.

Students in the District have certain rights. They also have the responsibility to respect the rights and property of others. If a student fails to do this, disciplinary action will follow. In disciplinary cases, each student is entitled to due process. This means students:

- Must be informed of accusations against them.
- Must have the opportunity to accept or deny the accusations.
- Must have explained to them the factual basis for the accusations.
- Must have a chance to present an alternative factual position if the accusation is denied.

NOTE: The Deer Valley Unified School District, in conjunction with the Glendale Police Department and the Phoenix Police Department, agrees to coordinate our efforts in establishing procedures for communication regarding incidents of alcohol and drug use, possession and distribution. Drug paraphernalia, controlled substance and "look alike" drugs are also included. The schools will supply the local law enforcement agencies with information about possible illegal drug and alcohol activities.

When any administrator or designee or person in charge suspects and/or determines that a student(s) possesses alcohol, drugs or weapons, these steps will be followed:

1. Call the local law enforcement agency.
2. Attempt to call parent/guardian, or emergency designee.
3. Follow up with school disciplinary procedures that are within the guidelines of the Governing Board approved discipline handbook.

PRIVACY AND PROPERTY RIGHTS

Students are entitled to maintain privacy of personal possessions within certain limits and are responsible for those personal possessions. A student may not bring onto school property any substance, object, or material prohibited by law or school board policy. School officials may inspect such items on school District property at any time with or without specific reason to do so. In addition, school officials may search a student's person or personal possessions, such as backpacks, purses, and cars parked on campus, if school officials have a reasonable suspicion that the search will reveal the presence of prohibited or illegal materials.

NOTIFYING POLICE

School officials are not required to initiate or complete due process procedures prior to notifying police authorities. If police authorities are notified, parents or guardians may be contacted by telephone. Any action taken by police authorities will be in addition to action taken by the school.

MRHS - PROGRESSIVE DISCIPLINE OPTIONS

1. Lunch Detention
2. After School Detention
3. In-School Suspension (ISS)
4. Suspension Off Campus (SOC)

DISCIPLINARY ACTION - ROUTINE CLASSROOM VIOLATIONS

1. Teacher discusses behavior with student - conference (issue warning)
2. Teacher conferences with student - contact parent
3. Teacher conferences with student -uses buddy classroom and student fills out reflection sheet -contact parent
4. Teacher schedules a detention to be served in their classroom - contact parent
5. Referral to administrator. Repeated routine violations will result in referral to the Conduct Office as Serious Violation - parent contact documentation is required before the referral is processed.

*Students may be removed from class for disciplinary reasons with a grade of "F", no credit

NOTE: Some violations may require an administrative decision to bypass the routine order.

*DISCIPLINARY ACTION - SERIOUS VIOLATIONS

The punishment for serious violations shall be suspension or expulsion in accordance with these rules and regulations, due process of the law, the seriousness of the offense and the potential rehabilitation of the student offender. The following summary is provided to acquaint students, parents or guardians with the existing procedure. Infractions involving suspensions of three days or more days may be reviewed by the administration upon parent request in writing. Any student who engages or participates in behavior that violates any of the DVUSD standards for student conduct will be subject to the appropriate disciplinary consequences and will forfeit the privilege of participating in the commencement ceremony.

NOTE: Vandalism, pranks, or any serious violation may cause students to have final exams postponed and/or to receive disciplinary action.

SHORT-TERM SUSPENSION NOT TO EXCEED TEN (10) DAYS

Students may be suspended from school by the Superintendent, Principal, Assistant Principals, and/or other school officials granted this power by the Board of Education. (ARS-15-843)

LONG-TERM SUSPENSION IN EXCESS OF TEN (10) DAYS

Students may be suspended from school by the Superintendent, Principal, Assistant Principals, and/or other school officials granted this power by the Board of Education. Long term suspensions require Governing Board approval. During any on or off campus suspension, students are not allowed on any DVUSD campus/site or DVUSD activity.

NOTE: Students placed in In-School Suspension, Off-Campus Suspension, or Long Term Suspension/Expulsion may not participate in, nor attend any school or district sponsored activities. Work may be made up when suspended on or off campus and does count for credit. Alternate assignments and assessments of equal value may be administered as make-ups.

OFF LIMITS/OFF CAMPUS AREAS

As we strive to provide a safe and orderly climate for everyone, specific areas on campus will be designated "Off Limits". These areas will be relayed to students/parents in the fall. Safety of students and staff and preservation of our facilities is a priority.

FOOD AND DRINK/OFF-LIMITS AREAS/LUNCHESES

- Students are not allowed in the academic buildings during lunch.
- It is the students' responsibility to dispose of trash and leave a clean lunch area or discipline consequences will be assigned.
- Eating on campus is restricted to the cafeteria and designated eating areas.

GOOD NEIGHBOR POLICY

Students must not trespass on private lawn or in any way abuse or interfere with the property of private citizens. Disturbance or damage to students or students' property, even in fun, is not permitted. Also, restitution may be required.

LEAVING CAMPUS WITHOUT A PASS

MRHS has a closed campus policy. Failure to follow these rules will result in receiving an unexcused absence and possible disciplinary action. Once a student leaves campus with or without permission, the school assumes no responsibility.

BICYCLES

Bicycles are to be parked in the racks and areas provided within the campus and are not to be ridden on the school grounds. They should always be locked. The school assumes no responsibility for bicycles.

SCHOOL PROPERTY

Transcripts may be withheld from students who fail to return school property or who have unpaid balances on accounts.

UNACCEPTABLE ITEMS

School is a place students come to be educated, and certain items disrupt the "educational process" and are not permitted. The following is a representative list of items, but not limited to, that will not be brought to school:

- Pets / animals
- Radios, laser pointers, air horns, hair paint, silly string
- Skateboards, longboards, roller skates, roller blades
- Water guns, shaving cream, and colored spray cans.
- Cameras (both still and video), recording devices, and other disruptive electronic devices
- Gambling paraphernalia
- Wallet Chains and Bullet Belts

The item(s) will be confiscated and the student will be subjected to disciplinary action.

Roller blades, skateboards, longboards and scooters are prohibited on all DVUSD campuses. Schools will not store or secure them. Additionally, DVUSD and Mountain Ridge assumes no liability for the loss, theft, or damage.

Note: the administration reserves the right to use their discretion in what constitutes unacceptable items. Also, the school accepts no liability for loss, cost, or replacement of confiscated unacceptable items brought to school by students.

PARKING

Due to the limited number of parking spaces available, student parking is only available to Seniors.

Pending availability, juniors may have the opportunity to apply for parking later in the semester. Permits will be assigned to Senior carpools first, and then to Senior single drivers. Junior students attending West-MEC programs may apply for parking with verification of enrollment and attendance in the program. If withdrawn from the program, the student loses junior parking privileges. If spaces open up during the school year, Seniors will have first priority. In addition, any student requesting a parking permit must meet the following requirements:

- The vehicle must be properly licensed and insured.
- The student must have a valid Arizona driver's license.
- A Parking Permit Application must be completed and signed by the student and parent/guardian.
- A parking sticker must be placed in the lower corner of the driver's side back windshield.
- All debts owed to the bookstore and library must be paid before a permit will be issued.
- Temporary parking permits will be issued ONLY to current parking permit holders whose regular vehicle is disabled. A temporary permit must be obtained from the Conduct Office or Security Monitor prior to parking in the lot and placed on the dashboard where it is plainly visible. Parking Permits cannot be shared with any other students.

Parking is a privilege and if you are in the lot without a permit, or failure to comply with parking regulations, disciplinary action may occur.

Above all, drive safely. We want to keep Mountain Ridge High School a safe place for everyone.

SCHOOL ZONE

High profile enforcement includes the area within three hundred feet of a school or its accompanying grounds, any public property within one thousand feet of a school or its accompanying grounds, a school bus stop or on any school bus or bus contracted to transport pupils to any school. (ARS 13-3411)

In order to ensure safety and order at all times, the conduct policy is NOT limited to regular school hours and may extend beyond the school zone.

VIDEO SURVEILLANCE NOTIFICATION

To help support a safe environment video surveillance cameras are in operation on the Mountain Ridge campus twenty-four hours a day. The video system provides coverage for both the interior and exterior portions of campus, including the parking lots.

ELECTRONIC DEVICES

Because we are a Technology Rich campus, students will be required to bring to class and properly maintain a device such as a tablet or laptop. Per district policy, students may choose one of the following three methods of possessing a device:

1. The student may check out a school-issued iPad to take home and bring to class each day. The student may opt to purchase a Limited Liability Protection Plan for the device for a nominal fee when first checking out the device. The intent of the plan is to limit the out-of-pocket costs students and parents might incur if the iPad is damaged, lost, or stolen. Please refer to the plan document itself for more detailed information about fees for damaged, lost, or stolen devices and available coverage.

2. The student may check out a school-issued iPad to take home and bring to class each day, but may choose not to purchase the Protection Plan. If the plan is not purchased up front, it cannot later be purchased. The plan is paid for the school year regardless of length of time the student is enrolled in our school.

3. The student may choose not to check out a school-issued iPad and instead bring a device from home. Devices from home may experience trouble accessing and maintaining connection to the preferred school wifi network. Parents may be charged extra data fees from their providers as these devices must be re-connected to the network when they lose connection, and may use up data in the interim. In addition, students may not be able to use the same paid apps for free, as school-issued iPads will already have these apps loaded onto them. The school is not responsible for the loss/damage/theft of items brought from home.

Per the technology agreement students and parents sign to check out an iPad, Virtual Proxy Networks (VPNs) or similar apps that bypass mobile device management are NOT allowed to be installed on iPads. The consequence for installing a VPN or similar app is in-school suspension and possible revocation of school-issued iPad.

Daily Device Use

Students should come to school with their devices charged and ready to use in each class every day. Within each classroom on any given day, there are three possible tech environments. Teachers will identify for students the environment during their class period. These environments are the following:

Red: No device use allowed. Devices are to be off and put away. If a device is out and being used at this time, students may receive disciplinary consequences and/or zeroes if appropriate. This environment may be necessary for testing or non-electronic based assessments.

Black: Limited device use allowed. Students may use devices in accordance with teacher instruction in a prescribed manner. Students may be asked to place devices face down on their desk until appropriate to use. Teachers may ask to see students' open apps and require that all apps are closed with the exception of a specific one or two. No games should be open during this environment unless the teacher indicates a specific game may be used.

Green: Open device use. Students may use their device independently to take notes, complete assignments, conduct research, communicate with the teacher, check grades, and other appropriate educational uses of the device. Students should not access inappropriate content or cause disruption in this environment, even though it is the least restrictive.

Consequences for classroom disruptions and misuse of devices will follow a progressive discipline model, beginning with a phone call home and progressing to office referrals for repeated or more serious offenses. Students who have devices out during a Red environment or during testing, may lose credit on their test or quiz. See the Student Rights and Responsibilities consequence chart in this handbook for more specific descriptions of infractions and consequences.
