*Scientific calculator with statistical functions is required for 7th grade math. However, see note about graphing calculators used from 8th grade on.

For the Class: Kleenex, paper towels, index cards (3 X 5)

*Students will need a graphing calculator (TI-84) beginning with 8th grade math (next year) so you may prefer to invest in that now rather than purchase one now and another one next year. Students who have it can learn how to use the graphing functions this year.
