

# Birthday or Celebration Treats List

ALL classrooms at Diamond Canyon School are nut-free/peanut free areas. **This includes foods processed in a factory that also processes nut-containing foods; ie "made in a facility that also processes foods with peanuts and nuts"**. Unfortunately, **most bakery items**, including cupcakes and donuts, are included in this group of foods, so they are not allowed. Of course, **we welcome fresh healthy foods, such as fruits and vegetables**, however, if they are not whole/uncut, they must be commercially packed for safety reasons. Individually, commercially packed fruits, veggies and snacks are a great idea! These rules apply to meat and cheese trays as well.
