

Preschool Newsletter for September 26th-28th

This has been a short, but engaging week! We took a tour of our cafeteria kitchen and the Sunrise front office. The children were able to see where and how their food was cooked, they asked our kitchen manager questions that had been on their minds, such as, "What are you going to cook on Valentine's Day?" Yes, this was a question that was asked. 😊 Our Sunrise front office was more than happy to welcome our preschool students in to view how the office staff helps our school run smoothly. We discussed what an emergency is and when to call 911. Next week we will extend unit 4 for one more week. We'll dive deeper into safety procedures and community members that help keep us safe.
