WELCOME TO A NEW SCHOOL YEAR JAGUARS!!!!

TIPS FOR PARENTS AND STUDENTS

1. **Attendance is important;** each day missed is a day of curriculum students miss to be successful in class.
2. If a student has to miss school, **check CANVAS for assignments and COMMUNICATE with your teachers!** Most issues in the classroom can be resolved with a simple talk with a teacher.
3. **Check grades weekly on power schools,** you have access to grades, attendance, course choices for next year, announcements and more on power school.
4. **Keep up with school assignments,** if you do not understand a concept ask for help immediately so your assignments do not pile up.
5. **If a student needs to see their counselor** simply, email or come to the counseling office before school, at lunch or after school to fill out a pass. Parents can request appointments with their assigned counselor through email or a phone call.
6. **Read the counseling newsletter!** The newsletter is also posted on our [web page](#) if you missed it in your email.
