

April 30, 2019

Greetings Las Brisas Families,

As we continue to inch closer toward the end of the school year, we continue to make great strides at Las Brisas. While it may be May, learning and safety continue to be areas of priority.

We are excited to bring Danna Evans of All Things E.Q. to work with our students. All Things E.Q. is the social-emotional learning program that was brought to Las Brisas earlier this year. During her time with students, Danna will work with children on friendship skills. Topics include being a good friend, appropriate interactions among friends, and structures of friendship. We are excited for her to work on these important skills with our students.

Spring is a very busy time at school. We are making it a top priority to teach, practice, and enforce safety expectations as we keep students safe to finish out the school year with success.

Please mark your calendars for some upcoming events:

- 6th Grade trip to Sea World May 1-3
- Early Release on May 3 – No Patriotic Assembly
- PTSA Great Skate Night on May 9
- Band Concert on May 14
- Our last Patriotic Ceremony on May 23

This year has been exceptional, and we look forward to what May will bring. As always, do not hesitate to reach out with any questions or concerns that you may have.

In Partnership,

Mara Kurasch, Principal
Becca Burd, Teacher On Assignment
