

Dear Las Brisas Families, Staff, and Community Members,

At Las Brisas Elementary School, we are dedicated to providing our students with the curiosity, the will to learn, and the knowledge to become productive, responsible, and caring citizens. That is our vision and our passion. Together we can foster a safe and caring environment where learning is paramount, and where students learn these essential skills for a bright future. The success and best interests of our Las Brisas students are at the heart of every decision made by our team.

There is no doubt that every student can learn. Relationships are key to understanding how each child learns best. Best instructional practices combined with a personal touch will result in great success for every single student.

I encourage you to be an active participant in our educational community. Contact your child's teachers, join our fabulous PTSA, and stop in to say hello while you are on campus. We value the participation of our community members and families.

Please follow us on our new Twitter account @ LasBrisas_Stars, and our PTSA on Facebook. You can also download the DVUSD app for updates from our school.

Las Brisas is a fabulous school, and I am so proud to be joining you as a team member. Our dedicated teachers and support staff are committed to the success of our children, and we are prepared for a fantastic school year. I look forward to the new school year and building relationships with the students and families at Las Brisas. Please do not hesitate to reach out with any questions you may have.

In Partnership,

Mara Kurasch, Principal
