Dear Parents,

Today, the Arizona Department of Education reported Profile Letter Grades for districts and schools throughout Arizona using "A" through "F" to rate school performance. The Arizona Department of Education's A-F Letter Grades are designed to place equal value on current year achievement and longitudinal academic growth, specifically the growth of all students as well as a school's lowest achieving students.

This year, Legend Springs received an "A" Profile Letter Grade. In general, the "A" Profile Letter Grade designates an excellent level of performance for student achievement and learning growth.

Additional information on profile letter grades is posted on the Arizona Department of Education's website, www.ade.az.gov.

Warm Regards,

Jennifer Minor, M.Ed
