

Greetings Mountain Shadow Families,

The first day of school is just around the corner – **Wednesday, August 3<sup>rd</sup>, 2022!** We are so excited to see all of your happy faces – let the learning begin!

*Here are some things to remember:*

### **Road to Success**

Parents, come help send your kids off on the 1<sup>st</sup> day of school! Bring your noise makers and loud cheerleader voices, meet at the front of the school at 8:30 AM, and be ready to send them off on their path to success! Teachers will meet students outside and there will be no recess on the 1<sup>st</sup> day of school.

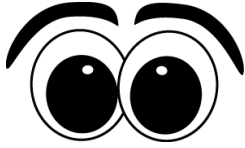

### **Water bottle**

Please send a water bottle to school marked with your child's name on it. They will be able to fill it up through the school day. We need to keep them hydrated!
