Your information is value to our school.

We are excited to once again offer our 7 Habits of Highly Successful Families class. This **FREE** class is a great way to **transform your home life into a highly effective family with a vision unique to your own family**. Each session will focus on one of the habits. You will learning how to use the 7 Habits in a meaningful way. This includes: **1)** problem solving and goal creation, **2)** resolving differences in marriage and family relationships, **3)** establishing a better work/life balance, **4)** becoming more effective in raising emotionally healthy and empowered children, **5)** employing empathic listening and synergy, and **6)** learning to motivate children effectively. These classes will help you learn the 7 Habits strategies that you can apply to any situation. **The end result is a highly effective family that can apply the 7 Habits in a way that works for you!**
