

Welcome to First Grade! We are excited to work together with you in order to make this year a wonderful experience for your child. Together we will help develop your children into life-long learners.

We have 3 wonderful first grade teachers, all with 12 or more years teaching experience in a primary classroom. Mrs. Arthur, Mrs. Dew, and Mrs. Lepick are all looking forward to working with you to make this year a positive educational experience for your child.

Hold onto your hats, first grade is going to be a year full of exciting surprises!
