TEACHER_____ BUS NUMBER _____

GENERAL TREATMENT PLAN FOR SEIZURE ACTIVITY AT SCHOOL

- **KEEP CALM**
- ***LOOK AT THE CLOCK - SAY THE TIME OUT LOUD***
- Begin timing the seizure
- Help child to the floor to help avoid injury.
- Turn the child the side so saliva can flow from mouth.
- Notify the nurse of seizure activity.
- Stay with the student during the seizure, provide comfort, and speak gently.
- Provide a safe environment by removing hazardous objects.
- **DO NOT RESTRAIN STUDENT. DO NOT PUT ANYTHING IN CHILD'S MOUTH.**
- Protect head from injury. Loosen tight clothing at neck and waist.
- Have another classroom adult remove/direct students from area or room.
- **Call 9-1-1 if any if the following occurs**:

  Seizure lasts longer than _____ minutes (per care plan)

  The child has difficulty breathing

  If color does not return to normal afterward

  Serious injury

  Other (please list)

  _____

- Notify parent of seizure activity.
- Provide rest after seizure. Reorient and reassure child.

Parent's additional information to be added to treatment plan:

_____
_____
_____

I consent to the release of the above information to be shared with teachers, bus drivers and other school personnel as a part of my child's School Care Plan for Seizures. I will notify the school nurse immediately of any changes in condition, medications, phone numbers, address, emergency contacts, doctor/hospital preferences.
