OPTIONAL DEVICE PROTECTION PLAN

The Deer Valley Unified School District is providing a protection plan for students and parents as part of our Tech Rich 1:1 mobile device program. Enrollment in the plan is optional with the understanding that if students/parents do not enroll in the protection plan they may carry full liability for the mobile device (iPad or Chromebook) in the same way they do for other damaged or lost school property, such as textbooks.

Program Fees and Coverage

- Annual Premium: \$25 annually. This fee is nonrefundable.
- Limit Liability: \$430
- **Coverage:** Repair or replacement of school issued iPad and case.
- Enrollment Deadline: Must enroll in plan within 3 days of receipt of iPad device.

Effective Coverage / Expiration Dates

- **Effective Date:** Coverage begins when this form is signed and returned **and** the \$25 nonrefundable fee is paid.
- **Expiration Date:** Coverage ends on the earliest of the following dates: last day of school year, return of device, no longer enrolled in school, or no longer qualified for the Tech Rich mobile device program.

Please be sure to return the device before the expiration date to ensure that coverage is always in effect.

Coverage

The Optional Device Protection Plan coverage includes:

- Accidental damage caused by liquid, spills, drops, or other unintentional events.
- Loss of device due to theft; claim must be accompanied by a valid police report.
- Damage caused by fire; claim must be accompanied by official fire report from investigating authority.
- Damage due to an electrical surge.
- Loss or damage caused by natural disasters.

Exclusions

The Optional Device Protection Plan coverage excludes:

- Damage caused by dishonest, fraudulent, intentional, and negligent (not locked and/or stored in an
 insecure manner or location) or criminal acts. Students and parents will be responsible for the full
 amount of repair/replacement for damage or loss that falls in this category.
- Consumables: USB cables, AC adapters, case, or software.
- "Jailbreaking" or otherwise voiding the manufacturer's warranty by altering the software. Jailbreaking
 is a term used to describe a process by which normal manufacturer controls on the functionality of the
 device are bypassed. Jailbreaking of school-issued mobile devices is not permitted.
- The Deer Valley Unified School District is not liable for any loss, damage (including incidental, consequential, or punitive damages), or expense caused directly or indirectly by the equipment.
