

## How To Enter a Zoom Meeting from Canvas

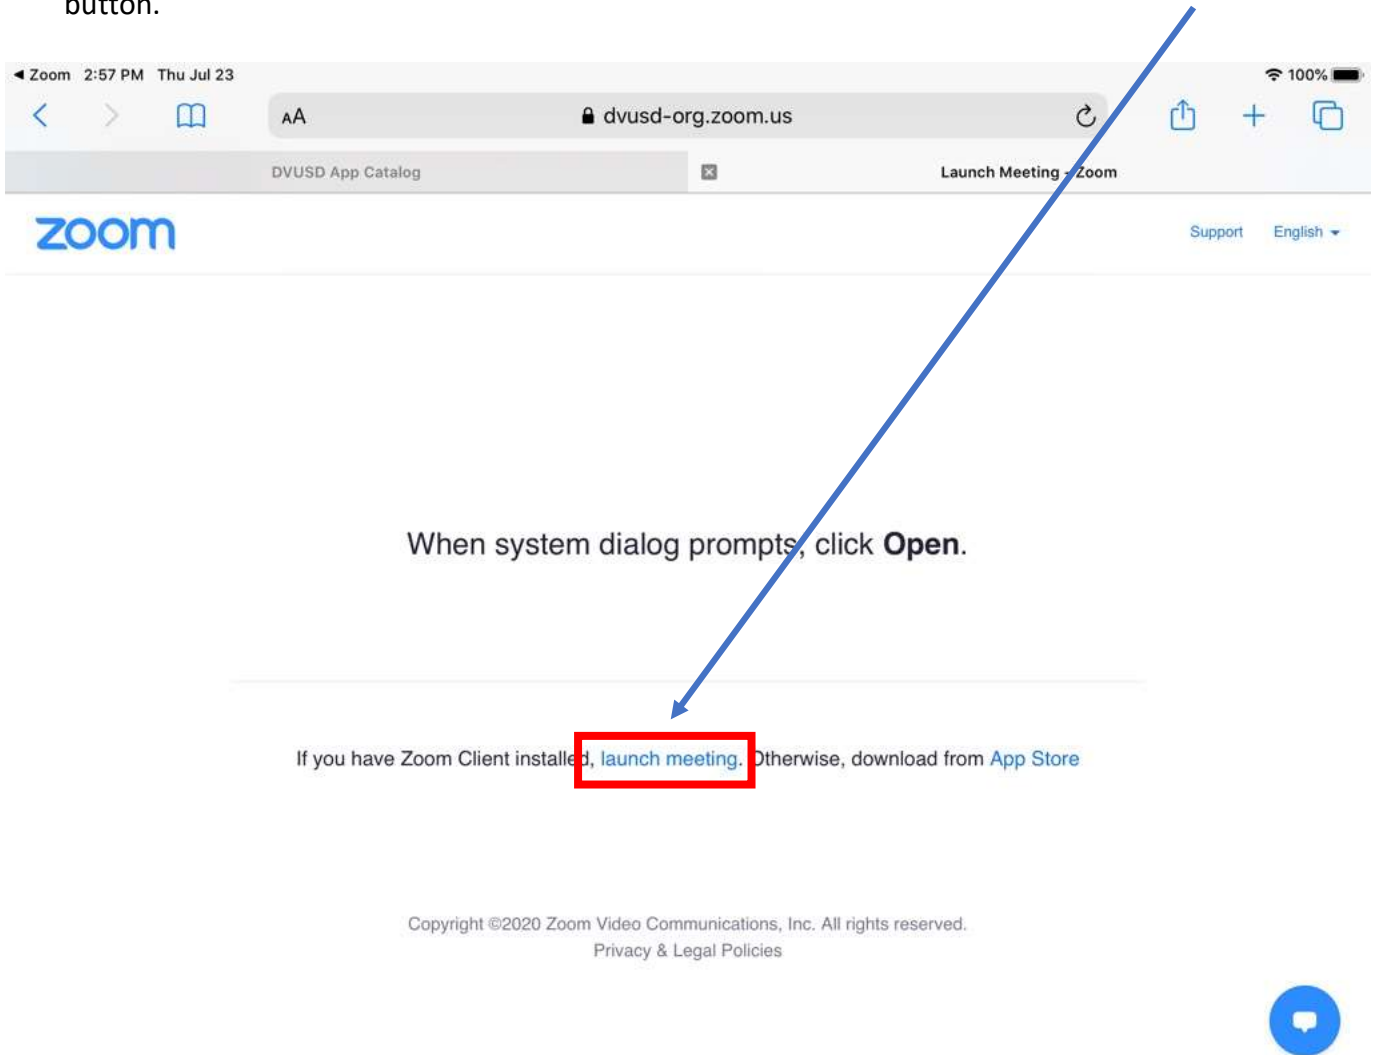

- 1) Use the Canvas app or a web browser to go into your canvas class.
- 2) Select the Zoom link

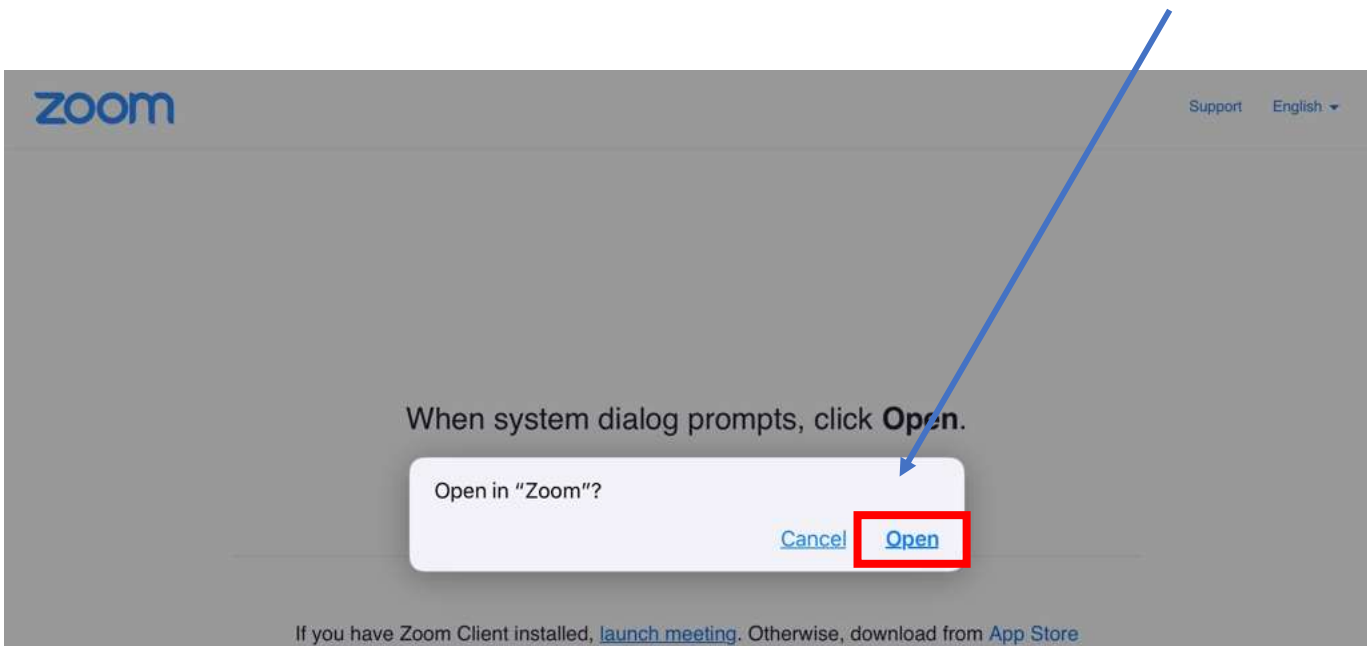

- 3) Look for the Join meeting for you class

4) If you don't already have the Zoom open on your iPad you will need to select the "launch Meeting" button.

5) If you selected that button OR the Zoom app is open, this screen will display. Select Open

- 6) Select Join with Video and you should be placed in the waiting room. You will stay here until you teacher admits you to the meeting.
