

## **2023-2024 Reassessment Policy** **Terramar Academy of the Arts**

Learning is a journey that is often not linear. Some students learn content and skills quickly while others may require more time or feedback in order to learn. The primary objective of grades is to report where a student is in the learning process, regardless of how much time or effort the student needs to get there.

Students will be allowed to retake assessments/assignments during the same grading period to show the student's current level of attainment of the standards.

In order to earn a retake opportunity, a student must complete all of the following:

- Complete all formative coursework related to the content/skill assessed
- Consult with the teacher
- Submit a reassessment plan or application, if required by the teacher

Students will be afforded extra time for learning; however, there is an ending point for each course in which final reports on a student's learning must be conveyed.

A reassessment plan must be scheduled within the following time frames:

- K-2nd Grades: Until the week before the end of the marking period
- 3rd-8th Grades: Within 10 school days after receiving the assessment/assignment score
- (Alg 1-2/Spanish 1-2 Classes ONLY) 9-12th Grades: With 5 school days of receiving the assessment/assignment score, the student must communicate with the teacher to create a reassessment plan
