Dear Parents and Guardians of West Wing School,

This school year has had many changes and challenges. As it is coming to a close in the next eight weeks, I am forever thankful and grateful for the support that many of you have given to our school this school year.

I have been the principal at West Wing School for the past 16 incredible years and I have cherished my time at West Wing School. I have built strong relationships with many of you. Phenomenal things have taken place at West Wing School and there is much of which we are proud and that we have accomplished together. Together, we have built an amazing, awarding winning A+ school! This makes me very proud!

And so, it is with a heavy heart that I announce my retirement at the end of this school year. These 16 years at West Wing have been inspirational. My life has been forever changed by you, your children, the staff and the many, many positive experiences that have filled my days here at West Wing School. Every decision that I have ever made has been in the best interest of your children. I know that I will dearly miss the children, families, staff and the entire West Wing community.

I have had a remarkable 35 year career as an educator, but my last 16 years have, without a doubt, been the most memorable. Throughout the years, I have known and been grateful for the support of the West Wing School community, who have lifted me up and helped me in so many ways. I cannot thank you enough for your love and support of me, our staff and our beautiful school. I will treasure these next eight weeks and my remaining time at West Wing School.

Thank you again for your love and patience as we have all worked, and continue to work to make your child(ren) the very best they can be!

Educationally yours,

Dr. Price-Barry  
Principal
