

Dear Mustang Families,

We have so much to celebrate this first quarter! We started our new social-emotional learning curriculum, All Things EQ. Please check it out on our [website](#). We started our first-ever Mustang Store where students can redeem the tickets they earn by following our four school-wide expectations: Be Respectful, Be Responsible, Be Safe, and Be Kind. Thank you to all of the families that have supported this endeavor by purchasing items from our [Amazon wish list](#). We have had so many fun Friday mornings during our playground dance parties to celebrate all of the hard work our students and teachers are doing! We have so much fun with this and we know it is bringing a smile to everyone's faces!

We want to send a special thank you to our PTSA for supporting our campus with new playground equipment. We also had a wonderful Aloha Bingo night that was free for everyone. Our annual fall fundraiser event is soon and we are excited to partner again with Boosterthon! Our goal is to raise \$25,000 for campus improvements and special projects. We hope to exceed our goal!

We welcomed our new crossing guard, Ms. Charlotte Moore. We are so very grateful to have her. We are still looking for more crossing guards to assist with before and after school at the crosswalks. If you are a stay-at-home parent or grandparent we would love to have you help with this very important role on our campus. Please call our office at 623-376-5004 if you are interested!

During the second quarter, we will be welcoming the Arizona Education Foundation for a site visit as we strive to earn the A+ School Of Excellence award for the second time. We are very excited to showcase all of the academic programs, interventions systems, professional learning teams, and the high level of achievement West Wing students accomplish every year.

Sincerely,
Mrs. Schubert
Principal
