

Mrs. Hall's Fourth Grade Classroom Expectations

Based upon the ideas of Love and Logic

In order to guarantee that your child and all the students in our classroom have an excellent learning climate that they deserve, we are using the following plan.

Class Philosophy:

I believe all of our students can behave appropriately.

Class Rule:

In this classroom we will not cause a problem for ourselves or others.

Classroom Expectations:

Be respectful

Be Responsible

Be Postive:

I can.....

I will.....

I am going to try.....

Be Caring

Be Helpful

Be Safe

Be a good Citizen

Action Plan

If there is a problem, students will have an opportunity to solve it.

If the student or students are unable to solve the problem, the teacher will do something.

What we do will depend on each unique situation.

Serious and dangerous situations will be dealt with in a more prudent manner.
