Mirage Elementary School is looking for businesses to partner with us to help us become the center of our community. Mirage is located in the 'A' rated Deer Valley Unified School District with approximately 525 PreK-6th grade students. Mirage students represent families from 35th ave. west to 43rd ave. and Union Hills south to Bell Road. Our main goal is to improve student achievement, as well as address the needs of our families.

- Goals:
1. Increase student achievement
 2. Promote college readiness to all of our students through No Excuses University
 3. Provide new and gently used clothing and new toiletries to families in need
 4. Provide social/emotional programs and support for all students

Benefits to Students/Community

- *Provide family and neighborhood activities that engage stakeholders
- *Provide community resources such as food, clothing, and toiletry assistance to those in need (ie: Giving Closet & Parent Resource Center)
- *Provide role models and mentors to connect with students
- *Build a passion for learning by implementing structures that focus on student achievement, goal setting, and foundations for college
- *Advertising/sponsorship opportunities on student character t-shirts, guest speaking, and staff support/sponsorships available

Community Partner Benefits

Benefits to include: newsletter advertising, website/Face book/Twitter recognition, expo tables at parent events, speaking opportunities, and recognition throughout the Deer Valley Unified School District.
