School Year 2020-2021

Welcome!

The DVUSD PreK-12 Grading and Reporting Committee will continue working together to determine practices designed to promote the highest level of academic achievement and personal growth for our students. Aligning reporting documents such as progress reports, report cards, and transcripts to reflect grading practices will also be a task to complete by this committee.

This committee will be made up of two stakeholder groups which will send considerations around standardized grading and reporting practices to a Steering Committee. The two stakeholder groups will represent PreK-6 and 7-12 educators. Both groups will include teachers special education, representing general education, ELL, Gifted, and special areas/electives; campus administrators; counselors; district administrators, and parents. All five regions will have representation in each of the stakeholder groups.

The meetings dates/times/locations are as follows:

Wednesday, January 20, 2021 from 3:30 – 5:00pm via ZOOM

Wednesday, February 24, 2021 from 3:30 – 5:00pm via ZOOM

Wednesday, March 10, 2021 from 3:30 – 5:00pm via ZOOM

If this committee is something you are interested in participating for the 20-21 school year, please contact the Curriculum, Instruction, and Assessment Department at 623-445-4910.

Sincerely,

Gayle Galligan, Ed.D.
Deputy Superintendent of Curriculum, Instruction & Assessment
Deer Valley Unified School District
