

Welcome!

The ELA 6-10 Gifted/Advanced/Honors/IB MYP Adoption is seeking new members to identify the needs of our courses, will review, evaluate, and recommend resources and supplemental materials for use in the 6th-10th grade courses in Deer Valley Unified School District.

The committee's tasks include reviewing and evaluating vendor written proposals and sample materials, reviewing community input, evaluating vendor presentations, and coming to consensus on a recommendation to the DVUSD Governing Board on ELA resources and materials for the DVUSD ELA 6-12 courses (who do not already have adopted materials).

In order to decrease skill gaps in reading and writing, a Guaranteed and Viable Curriculum will be supported by this adoption process assuring that all 6-10 ELA courses have vetted materials that are aligned to our state standards, is compatible with Canvas and provides reliable data for Collaborative Teams.

The ELA 6-12 General Ed/Advanced/Honors Adoption will consist of insert membership composition from DVUSD Committee/Work Team Profile.
