School Year 2017-2018

Greetings!

The High School CTE Curriculum Materials Adoption Committee is seeking new members to review, evaluate, and recommend materials for use in high school CTE classrooms in DVUSD, pending FY19 DVUSD budget approval.

In DVUSD we currently offer 22 Career and Technical Education (CTE) programs which empower students to develop leadership, academic, and technical skills needed in the global economy for continuous learning and workforce success. Delivering quality programs to meet current industry standards and learner needs will require significant materials updates for many programs and courses. Current SB1525 JTED legislation requires students to prepare for industry recognized credentials. It is a main focus of the current adoption process to provide teachers with quality materials to prepare students for success on these credentialing exams. As a result of a needs assessment, the 13 CTE programs listed below have been established for inclusion in this CTE curriculum adoption.

- Accounting and Related Services - 2 courses
- Animation - 2 courses (CTE program established in Fall 2017)
- Architectural Drafting - 2 courses
- Culinary Arts - 2 courses
- Early Childhood Education - 2 courses
- Film & TV - 2 courses
- Financial Services - 2 courses (CTE program established in Fall 2017)
- Graphic/Web Design - 2 courses
- Interior Design and Merchandising - 2 courses
- Law, Public Safety, and Security - 2 courses
- Nursing Services - 2 courses
- Professional Sales and Marketing - 2 courses
- Sports Medicine and Rehabilitative Services - 1 course (new course for Fall 2018)

The High School CTE Curriculum Materials Adoption Committee will consist of representatives from High School Career and Technical Education program teachers, district CTE staff, High School administrators, High School Counselors, IS&T staff, post-secondary higher education, parents, industry, and community members.

The High School CTE Curriculum Materials Adoption Committee meetings are scheduled for 8:00 am – 3:00 pm on the following dates: 2/22/18, 4/10/18, and 5/7/18.

If you are interested in participating on the High School CTE Curriculum Materials Adoption Committee, please complete the DVUSD Committee Volunteer Application form – <https://url.dvusd.org/cb2fde68>.

Please direct questions about this committee to DVUSD's Career and Technical Education department – cte@dvusd.org / 623-445-4907.

Sincerely,

Michelle Coots
CTE Curriculum, Instruction and Assessment Specialist

Jayne Fitzpatrick
