RE: 2020 - 2021

Welcome!

DVUSD Pathways Mascot and School Colors committee is seeking new members to choose a mascot and school colors for our program. Through this committee, DVUSD Pathways will establish a visual representation of our program and provide a color scheme for promoting and distinguishing our program from the many opportunities provided by the Deer Valley Unified School District.

The DVUSD Pathways Mascot and School Colors committee will consist of one student, one parent, one teacher, and one administrator at a minimum.

The process of selection will be conducted via email and possibly one Zoom meeting.

If you are interested in participating on the DVUSD Pathways Mascot and School Colors committee or have further questions, please contact Paula Collins at paula.collins@dvUSD.org or 623-680-1473.

Sincerely,

Paula Collins, M.Ed.
