Dear Stakeholders,

A committee is being formed to recommend new curriculum & support materials for K-12 Social Studies courses with the implementation occurring during the 2023-2024 school year.

The members of the committee should represent all stakeholders at the K-12 grade levels. The goal of recommending new resources for adoption is to support teachers and students in their ability to meet or exceed grade level proficiency targets in History and Social Science disciplinary skills, content literacy and prepare students for secondary and post-secondary opportunities.

Deer Valley Unified School District will show preference for materials that align to the 2018 Arizona History & Social Science Standards. Our goal is to identify products that best support these curricular needs in both digital platforms and in-person classrooms.

Respectfully,
Colleen McNamara
