Dear Stakeholders,

A committee is being formed to recommend new curriculum resource materials for 6-12 English Language Arts for implementation during the 2020-2021 school year.

For grades 6-12, Deer Valley Unified School District will show preference for materials that integrate the current Arizona English Language Arts standards and tech integration through a LMS. Our intention is to identify a product that develops literacy skills across all strands of the standards.

The members of the committee will represent all stakeholder groups at the 6-12 grade levels. The goal for adopting new resources is to support teachers and students in their ability to meet or exceed grade level proficiency targets in reading, listening, speaking, writing, as well as prepare students for secondary and post-secondary opportunities.

Please express your interest in participating on the committee by accessing this link: <https://url.dvUSD.org/6fe01da4> and completing the requested information by Friday, February 22, 2019.

Thank you,

Megan Wibel
6-12 English Language Arts Curriculum and Instruction Specialist

SUPERINTENDENT
Curtis Finch, PhD

GOVERNING BOARD
Jenny Frank
Ann O'Brien
Ann Elizabeth Ordway
Julie Read
Darcy Tweedy

Graduating lifelong learners who will successfully compete, lead, and positively impact the world.
