

MIRAGE TAX CREDIT DONATIONS

Please help us keep clubs and activities on the Mirage campus for the 2020-2021 school year!

Your tax credit donation helps fund extracurricular activities and programs on our campus, and without these donations, we will no longer have:

- ❖ National Elementary Honor Society
- ❖ STEM Clubs
- ❖ Technology support
- ❖ Running Club
- ❖ Student Council Activities
- ❖ Additional campus sponsored clubs

These donations also help our Music & Band programs participate in Honor programs, festivals, etc.

Your support helps make all of this possible!

WHAT IS A TAX CREDIT?

Arizona allows an individual taxpayer to contribute a *maximum* of \$200, and a married couple filing jointly to contribute a *maximum* of \$400 before April 15th to get credit against their tax liability in the form of a dollar for dollar credit. As a result, if you owe money on taxes, that amount is decreased by the TOTAL amount of the tax credit donation, and if you have a refund due to you, that refund will be increased by the amount of your donation. If you do not want to donate the full amount, you can donate multiple times to total the maximum allowable amount each year.

What Else?

Taxpayers can make donations through April 15th, and apply the amount to the previous year's taxes or current year's taxes.

Any decisions regarding which year to apply a credit toward are the responsibility of the taxpayer and can be made in conjunction with their tax preparer.

You can also have relatives or friends, **living in AZ**, donate a tax credit to Mirage Elementary School!

To take advantage of tax credits, visit <https://dvusd.mytechsupport.com/eca/>

We thank you for your support in making Mirage Elementary School an extraordinary place for students!
