For students who choose to use Park Share, both students will be given a decal with the same number for their cars. The students are responsible for arranging the schedule of which driver parks when; both students cannot drive their own cars on the same day and expect to park on campus.
“Parking Share” is defined as two (2) students sharing one (1) parking spot with alternating hours. Ex. Student A attends class periods 1-3 and Student B attends class periods 4-6, each student will pay \$50 for a shared parking spot and students will agree to park in their designated shared spot during their designated school hours.

- Students must park in the lot at least **15 days** a month to retain their parking privileges.
- If a Junior in a West-Mec program, drops from the program, he/she will lose his/her parking spot and be refunded the parking fee if within the first 30 days of school.
- Parking is for Seniors **ONLY**. Younger siblings are not permitted to drive or park using a Senior parking permit.
