

## MEMBERS CODE OF CONDUCT

It is a privilege to be a member in DVHS Student Government. I understand I must follow the rules stated in the syllabus and below to remain a member in good standing in the program:

- I will show respect to the school and follow all rules set forth by The Students Rights and Responsibilities Handbook.
- I will show respect for others in the class, even though I will sometimes disagree with their thoughts.
- I understand that my grade is based on participating in activities during and after school and will be responsible for attending those activities.
- While each member has a specific "title", we will work as a team to make Deer Valley the best it can be.
- I understand that any actions unbecoming of a Student Government officer, such as but not limited to inappropriate use of a social website, cell phone, or other technology device, are grounds for dismissal from the class, as stated in the Student Government by-laws.
