## **Standards and Expectations**

**Course Requirements:** ENG 101 is designed to provide practice in the techniques of organizing and developing academic essays, but the skills and strategies it teaches are general enough to be helpful in any kind of writing. The purpose of this course is to help students write clearly and thoughtfully about any subject; students should expect to give their writing serious effort, revising their work through several stages. While the basic course will present some review material, it assumes that students possess basis skills in English, including the ability to: use correct grammar, punctuation, and spelling, and use basic writing strategies that demonstrate an understanding of sentence structure, clear expression of ideas, and standard English usage.

**Assignments:** To receive a passing grade in this course, each student will compose a minimum of at least 3,000 words in at least four writing projects (with revisions), weekly journal entries, a midterm exam, and a final exam/project. Also, students will satisfactorily complete all other class assignments as presented.

## **Grading:**

- Grades are determined as a percentage of total points earned: 90-100=A; 80-89=B; 70-79=C; 60-69=D and 59% or less =F.
- No assignments are accepted after the due date. A zero may be recorded for any late assignment.
- Retakes are **not** permissible on any quizzes, tests, or exams; however, teacher-selected opportunities for composition revisions and rewrites will be made available.

**Dual enrollment courses will follow the college departmental policies concerning late work, retakes, and academic integrity.**

**Attendance Standards:** Since full and active participation is essential to success in this course, full attendance is required. Students are not allowed to miss more than six class periods per semester. Upon the 7th absence, the student may lose college credit. Additionally,

1. If a student is suspended (whether on campus or off campus) the days may count against his/her overall attendance.
2. All college visits and college orientations are personal extra-curricular decisions and will not be exempted from the dual enrollment attendance policy. Please plan accordingly.
3. Sweep is counted as an absence.

**Absences:** After an absence, a student has one school day for each day missed to make up work/tests, regardless of the number of days absent. If many days were missed, please schedule an appointment with me to formulate a plan for the completion of make-up work. Make-up work for extended absences (over 3 days) may be requested through the Counseling Office and picked up there.

**Report Cards:** In an effort to conserve resources and harness the capacity of our electronic grade reporting program (PowerSchool) district schools will no longer print hard copies of report cards unless requested by individual parents. To request a hard copy of your student's report card, please contact the front office at 623-376-3000. To receive your PowerSchool login, please stop into the office with a valid photo ID.

**Power School Online Access:** Grades and attendance may be accessed 24 hours a day online with your Power School access code. Access codes are available in the Counseling Office or Front Desk Monday – Friday 7:00 AM– 3:30 PM. You may check student progress regularly on the PowerSchool site using the same login for one or more students. For Mountain Ridge parents/guardians without home computer access, a computer with guest log-in capability is available in the Counseling Conference Room.

**Academic Assistance/Office Hours:** Additional assistance/tutoring is provided as needed. Please contact your instructor should you require additional help in any capacity.

**Daily Device Use (iPads):** Students should come to school with their iPads charged and ready to use in each class every day. Devices may not be used to record or take photos of other people without their consent. Consequences for classroom disruptions and misuse of devices will follow a progressive discipline model, beginning with a phone call home and progressing to office referrals for repeated or more serious offenses. See the Student Rights and Responsibilities consequence chart in the handbook for more specific descriptions of infractions and consequences.

**Time Requirement:** You will need to dedicate significant time to this college course. For each credit hour, plan to spend at least two hours a week on homework in addition to class presentation time.

**Extra Credit Policy:** Extra Credit is not available for this class. It is the belief of Rio Salado College that all work done for a class should receive regular credit and is more than sufficient to assess the understanding of material presented in the course.

It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling or sharing of term papers or other academic materials.
