Parent/Guardians may select among the following options for ensuring their student has a device for accessing the curriculum, resources, and assessments:

- Parent/Guardian can provide their own iOS-compatible device and assume full financial responsibility for the device. It is recommended that the device have a 9.7 inch screen or larger and run the current iOS.
- Parent/Guardian can allow the student to check out a school-provided device and enroll in the Optional Device Protection Plan which requires a \$25 non-refundable fee. (Retain your bookstore receipt as proof of enrollment)
- Parent/Guardian can allow the student to check out a district-provided device and not enroll in the Optional Device Protection Plan. Parent/Guardian will assume full financial responsibility for the school-issued mobile device.
