

Fall 2020 PROGRAM DESCRIPTION

Deer Valley Unified School District Food & Nutrition participates in the School Breakfast Program and the National School Lunch Program. We are committed to offering nutritious meals. Through December 31, 2020*, USDA is covering the cost of all meals. This means breakfast and lunch are served **at no charge to all students**. Our high school cafeterias offer several daily hot and cold entrées. All school lunches offer five meal components daily (fruit, vegetable, grain, protein, and milk).

BUYING SNACKS IN THE CAFETERIA

All snack items and beverages sold in the cafeteria are required to meet national Smart Snack Standards.

Snacks and a la carte items available will vary by school. Please contact your kitchen manager with questions.

Parents may contact their student's cafeteria manager any time to place restrictions on a student's ability to purchase snacks.

Restrictions can be made in several different ways including: setting daily spending limits, allowing snacks on certain days only, or totally blocking all snack sales.

A list of snacks available for purchase may be found on our website at www.DVUSD.org/nutrition

Curbside Meal Pickup at a School Near You!

Free meals for all children 18 years and younger can be picked up curbside. Bulk meals consist of 5 days of breakfast and lunch.

Bulk meals are available to be picked up for families with children not yet attending school in person, younger siblings, remote learners and non DVUSD families. Meals may require additional heating.

Curbside bulk meals are available for pick up at any Curbside Meal Hub or by appointment at your neighborhood school.

For a list of Curbside Meal Hubs and additional information, locations and a link to our menus may be found at www.DVUSD.org/nutrition.

FREE AND REDUCED PRICE MEAL HOUSEHOLD APPLICATIONS

Free and reduced-price meal applications may be distributed at your school and are available for pickup in your school office. They can also be found online at www.EZMealApp.com or www.dvUSD.org/mealassistance.

While there is no qualifying criteria for the current free meal service, we anticipate the return to the regular National School Lunch Program (NSLP) after winter break. Only certified students are eligible for free and reduced-price meal benefits under the NSLP.

All students must submit a new application every year to continue receiving benefits, if eligible.

Find more information by contacting our office at (623) 445-5166 or at www.dvUSD.org/mealassistance.

COVID PRECAUTIONS

We promote everyday protective measures. Our staff always wear masks and gloves while preparing and serving food.

Cleanliness is important to us. We continually wash and disinfect our hands and equipment.

We have intensified our cleaning procedures. Tables and surfaces are thoroughly cleaned and sanitized between use.

We provide contactless serving with touchless checkout and have eliminated all self-serve options.

Applications must be filled out EVERY year to continue to receive benefits.

*While we expect free meals for all to be available through December 31, 2020, USDA may end or extend the program as funds permit.
