

Hello students, please follow the steps below to access **Canvas and Zoom link** for your 1st class.

Step 1. **Log in** to Canvas through the Portal (See below)

2. All courses will populate on Monday morning. When you click on your dashboard and you don't see your courses, Click "courses" to the left. (See below). If you see all your courses ON THE DASHBOARD proceed to Step 5. If not, proceed to the next step.

The screenshot shows the Canvas dashboard interface. At the top left is the Canvas logo. Below it is a navigation menu with icons and labels for Account, Dashboard, Courses, Calendar, Inbox, Studio, and Help. A green notification box at the top contains the text: "Welcome to Canvas! You don't have any courses, so this page won't be very exciting for now. Once you've created or signed up for courses, you'll start to see conversations from all of your classes." The main content area is titled "Dashboard" and is currently empty. On the right side, there are sections for "To Do" (Nothing for now) and "Recent Feedback" (Nothing for now), with a "View Grades" button below. A red text annotation with an arrow pointing to the "Courses" menu item reads: "You are now in your dashboard. Your courses will appear here. If the courses are not here, click courses on the left to access them." Another black arrow points from the red text to the "Courses" menu item.

Welcome to Canvas! You don't have any courses, so this page won't be very exciting for now. Once you've created or signed up for courses, you'll start to see conversations from all of your classes.

5. Once you are back to your dashboard, your classes may not look like this. It will be easier if you have all of your classes in **view option**. To do that, **click on the three buttons to the right**. It will give you an option to change the view. **Click the 3 buttons and select “card view”** (see below)

The screenshot shows a dashboard interface. On the left is a vertical sidebar with icons for Account, Dashboard, Courses, Groups, Calendar, Inbox, and Common. The main area is titled "Dashboard" and contains four course cards. The first card is "DVUSD Middle School Science 2015-16" with a science-themed image and a three-dot menu icon. The second card is "DVUSD Back To School Informatio..." with a notebook and scissors image and a three-dot menu icon. The third card is "#DVUSDTECH CONNECTING WITH PURPOSE" with a globe image and a three-dot menu icon. The fourth card is "3rd Hour STEM Explorations - STEM II - Cawle..." with a colorful STEM-themed image and a three-dot menu icon. A red text overlay reads: "Once you are back to the dash board you should see your courses in card view. If not click the 3 buttons on the right and elick “Card View”". A black arrow points from this text to a three-dot menu icon in the top right corner of the dashboard area. On the right side of the dashboard, there is a "Recent Feedback" section with a list of completed quizzes and their scores, and two buttons: "Start a New Course" and "View Grades".

6. Now that all of your classes are in a card view, **click on your first class** which in my case, you will click STEM if I have you in my 1st hour. (see below)

The screenshot shows a web browser at dvusd.instructure.com. The browser's address bar and tabs are visible at the top. The main content area is a dashboard with a grid of course cards. The sidebar on the left contains navigation icons for Account, Dashboard, Courses, Groups, Calendar, Inbox, and Common. The course cards include:

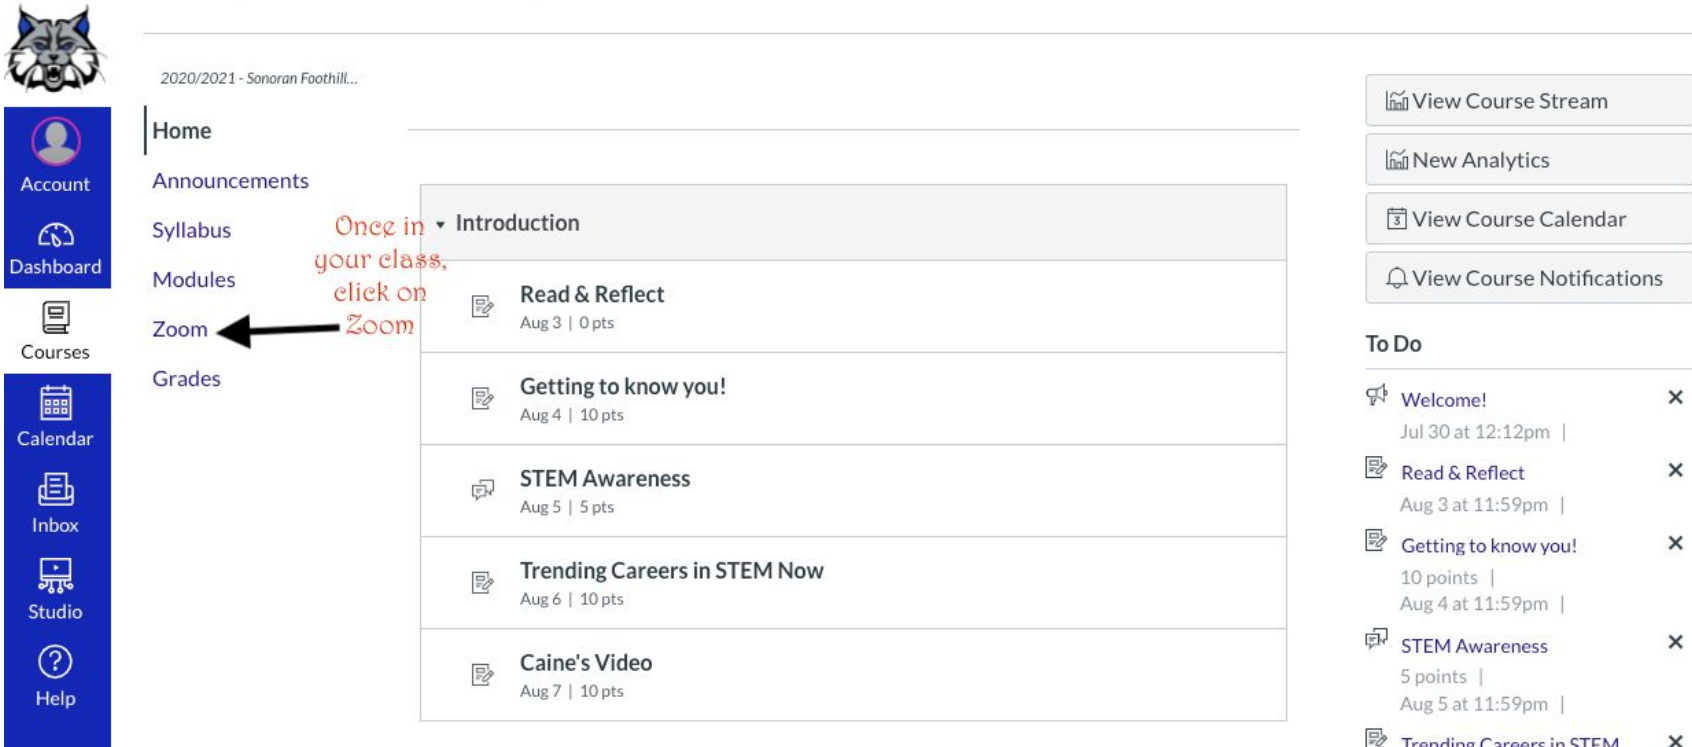

- MAGIC**: DVUSD Middle School Science 2015-16
- DVUSD Back To School Informatio...**: DVUSD
- #DVUSDTECH**: DVUSD - Technology Hub for Staff Tech Hub
- STEM**: 3rd Hour STEM Explorations - STEM II - Cawle... 2020/2021 - Sonoran Foothills School - Q...

On the right side, there is a section for **Assignments** with a list of items and their completion status:

- PTP Training (5 out of 5)
- Entering Scores Quiz (5 out of 5)
- FA20 8th Grade Science Quiz (4 out of 4)

Below the assignments are two buttons: **Start a New Course** and **View Grades**. An arrow points to the **STEM** card with the text "Click on your STEM Class".

7. Once you are on the homepage of your 1st class, **click zoom on the left. DO NOT** click on any other applications yet, as you will have zoom for the 1st 15 mins. of your class. (see below)
Zoom is now built in your canvas:)

The screenshot displays the Canvas LMS interface for a course titled "2020/2021 - Sonoran Foothill...". On the left sidebar, the "Zoom" link is highlighted in blue, with a red arrow pointing to it. A red text annotation reads "Once in your class, click on Zoom". The main content area shows a list of course items under the "Introduction" section:

- Read & Reflect (Aug 3 | 0 pts)
- Getting to know you! (Aug 4 | 10 pts)
- STEM Awareness (Aug 5 | 5 pts)
- Trending Careers in STEM Now (Aug 6 | 10 pts)
- Caine's Video (Aug 7 | 10 pts)

On the right side, there are several utility buttons: "View Course Stream", "New Analytics", "View Course Calendar", and "View Course Notifications". Below these is a "To Do" list with the following items:

- Welcome! (Jul 30 at 12:12pm |)
- Read & Reflect (Aug 3 at 11:59pm |)
- Getting to know you! (10 points | Aug 4 at 11:59pm |)
- STEM Awareness (5 points | Aug 5 at 11:59pm |)
- Trending Careers in STEM

9. Once on zoom, you will notice that you have upcoming meetings. This is because you will meet with your teachers for the first 15 mins of your Exploratory/Specials classes and the first 30 mins of your core classes everyday (Check your 8th Grade schedule).

Click “start”(see below)

The screenshot shows the Zoom interface for 'Upcoming Meetings'. At the top, the Zoom logo is on the left, and the current time zone is 'GMT-07:00 Arizona'. There are links for 'All My Zoom Meetings/Recordings' and a 'Schedule a New Meeting' button. Below the navigation tabs, there is a checkbox for 'Show my course meetings only'. The main content is a table of upcoming meetings:
