GIFTED PROGRAM DETAILS

- **Gifted cluster:** All gifted students in grades 1-4 (those scoring at or above 80% in one or more areas) are clustered together with a gifted trained teacher for the majority of the school day.
- **SPARK enrichment:** Supporting Potential & Achievement in Remarkable Kids. Identified gifted students in grades K-6 work on enrichment opportunities with the Gifted Specialist during RTI time (ungraded).
- **walk-up to math:** Identified gifted math students in grades 3-8 will walk up to the next grade level for their math instruction. The students are clustered together and placed in the appropriate grade level for instruction that meets their needs and matches their mastery. For math acceleration/walk-up placement, students must meet qualifying criteria.
